Why are natural disasters dangerous?

Is the Earth a beautiful but dangerous place to live on?

GRAMMAR FOCUS: PAST SIMPLE AND PAST CONTINUOUS (REVIEW)

84 Read and learn.

Past simple	Past continuous
We use the past simple to talk about: <ul style="list-style-type: none">• past habits or states• finished actions with time words (see below)	We use past continuous to talk about: <ul style="list-style-type: none">• something that was in progress during a period of time in the past• something that was happening in the middle of some other action or event in the past
Time words: yesterday / the day before yesterday a year ago last week / month / year / century in 1945 / in 2004 long ago / once upon a time	Time words: at three o'clock yesterday at that time on Sunday from two to four yesterday when she phoned / when it started raining

- Compare: — Listen! Why didn't you answer my phone calls yesterday afternoon?
What were you doing at 6 pm?
- I was waiting for my host family at the tube station at that time.
 - What did you do with your host family, then?
 - We went to the theatre together.
 - I hope you enjoyed it!

85 Put the verbs into the correct form: the past continuous or the past simple.

- A.** 1. She ... (play) computer games at 5 o'clock yesterday.
2. Last spring the flood ... (destroy) half of the town.
3. He ... (be) badly hurt during the earthquake.
4. The girl ... (read) her book the whole morning yesterday.
5. The spaceship ... (be launched) in 1995.

- B.** 1. — What ... you ... (do) when it ... (start) raining?
— We ... (walk) in the park.
2. ... they ... (do) a crossword puzzle or their homework when you ... (come) in?
3. Where ... they ... (stand) when you ... (see) them?
4. What ... Linda ... (do) when he ... (come) in?
5. Where ... they ... (work) at 5 pm yesterday?
