

Frohe Weihnachten

**25.-26. Dezember
-Weihnachtsfeiertage**

A close-up photograph of a white Christmas tree. The tree is densely decorated with various ornaments and warm white lights. The ornaments include a large green ball with silver spiral patterns, a teardrop-shaped pink ornament with blue circular accents, a shiny gold teardrop ornament, a smaller orange and green striped ball, and two purple ornaments, one with a blue spiral and the other with a circular cutout. The warm white lights are strung throughout the branches, creating a soft glow. The background is dark, making the white tree and its decorations stand out.

A large Christmas tree is the central focus, constructed from numerous bright blue lights that form a classic triangular shape. The tree is set in a dark, snowy forest at night. The ground is covered in a layer of snow, and the surrounding trees are dark and silhouetted against the night sky. The overall atmosphere is festive and serene.
