

Teenagers: What Problems?

**Подростки. Какие
проблемы?**

What is a teenager?

Officially a teenager is anyone aged from 13 to 19.

In other words teenagers are people who are in the stage of their life when they are developing from children into adults.

Are teenagers a problem?

Adults often see the age between 13 and 19 as “difficult”.

According to the older generation teenagers are:

- **Lazy** (ленивые)
- **appallingly** (ужасно) **rude to their betters and elders**
- **skeptical or cynical** (скептические или циничные)
- **untidy** (неопрятные)
- **too self-assured** (самоуверенные)
- **wear ridiculous** (нелепую) **clothes**
- **spend all their time listening to awful music**

**Do teenagers have
problems?**

Do your parents always understand you?

What are your hobbies?

Graffiti is great! It allows young people to express their feelings without getting into trouble.

It's my style.

Become net addicts and spend too much time with the computer

Get bored or depressed and think that nothing interesting can happen to them

Ruin their health at a young age

No drugs Stop smoking

Thank you for watching
