Как сказать, что

где – то

что – то

находится?

**ОБОРОТ** **There is/**  
**There are**

# There is/There are

используются для указания  
наличия чего – то где -то.

On

На русский язык обычно не  
переводится, но имеет смысл  
«имеется».

Предложение строится так:

There is

on

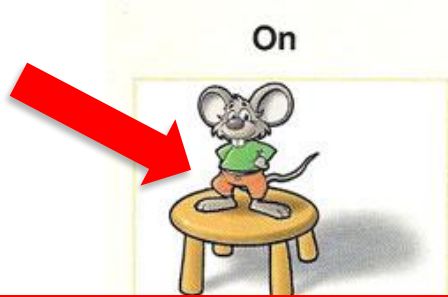

There is a mouse on the table

Оборот – предмет – предлог – место

Перевод такого предложения  
обычно начинается с конца, т. е.  
с места.

На столе мышь.

**There is** Используется тогда,  
когда речь идёт об  
одном предмете

**There is** a mouse **on** the table.

**There are** Используется тогда,  
когда предметов  
несколько.

**There are** mice **on** the table.
