The Giant's Causeway

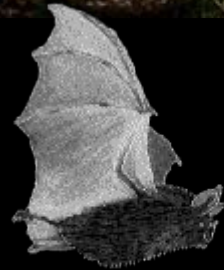

Myths and legends surround the creation of the causeway, and there are many different versions of the

In the old days in Ireland lived a good

But the Irishman could not swim . Then he decided to build a bridge across the strait. Seven days and seven nights he had not closed

***his eyes ,
dragged the
huge stone
rods into the
sea and built
a bridge across
the strait.***

In the end he was very tired and thought, " Before fight with Benadonna , I have a good rest " and went to sleep . At this time the Scottish giant saw the bridge and ran to him in Ireland. He began to knock on the door to the giant ,

but Finn Mac Cool sound asleep . His wife, Una was frightened and came

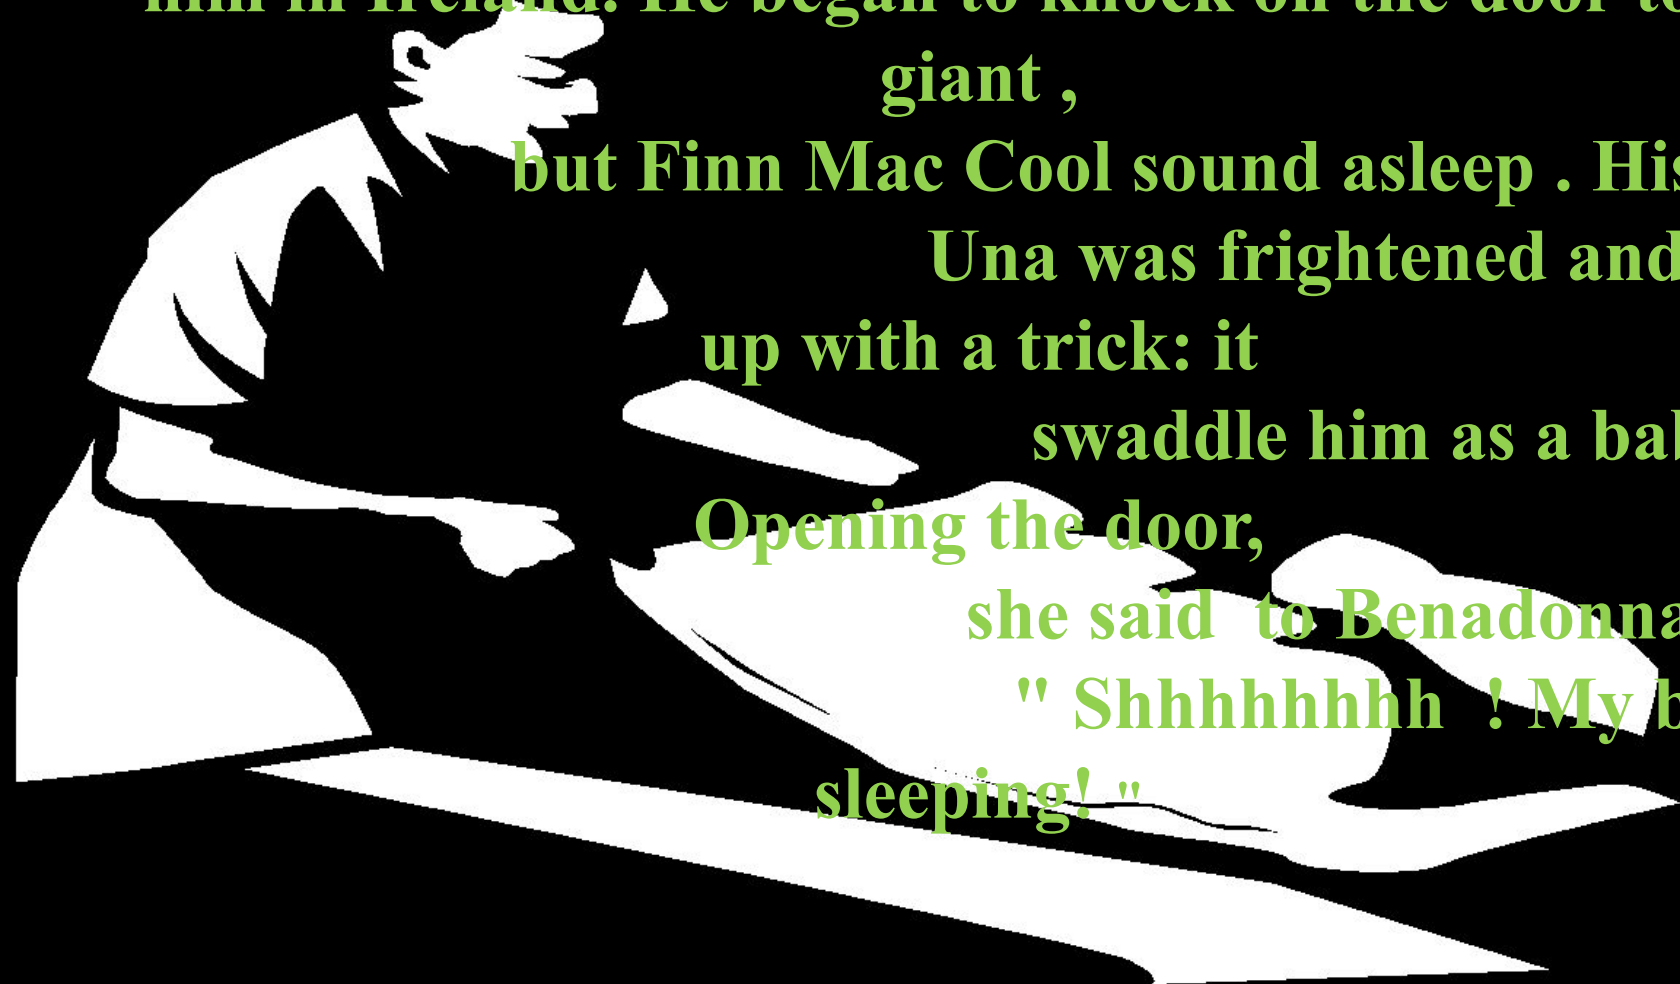

up with a trick: it

swaddle him as a baby .

Opening the door,

she said to Benadonna:

" Shhhhhhhh ! My baby is sleeping! "

*The Scot looked
at the "baby"
and he thought,
"If Fin's child
so big, then what
is he?" Startled,*

*Down he fled
and
saw this*

Loch Ness

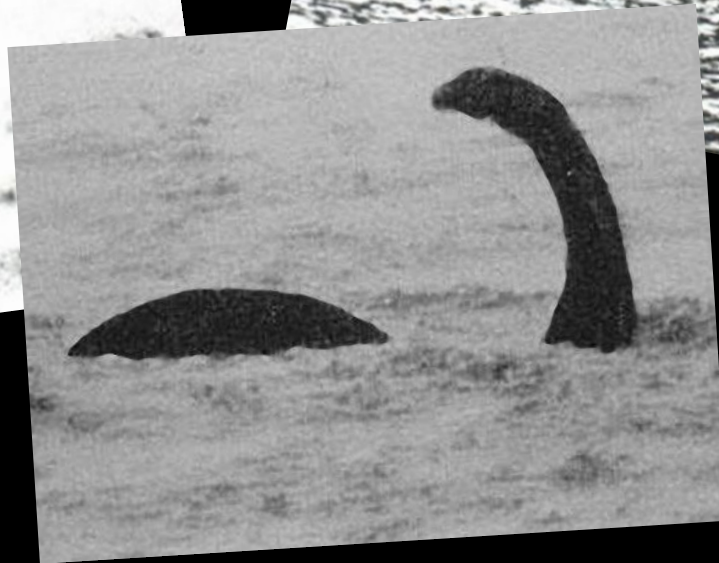

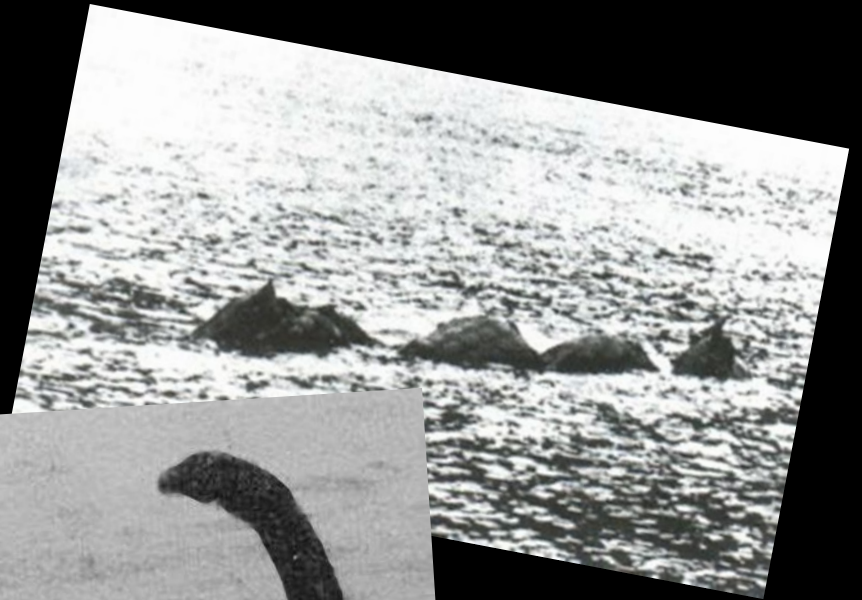

***Loch Ness is located in the
highlands of Scotland and
it is a
must
see.***

Many people have claimed to see a monster in the lake's water. But the monster sometimes appears near the romantic castle Uriguarta. Eyewitnesses say it grabs only drop dead gorgeous girls and drags them in the heart of the lake. What does it do with them? Probably marry them..

*Do you believe in
Nessie ?*

So, as you see Britain is a mysterious
and quite magic countries
in the world..

***Welcome to
experience it..***

Thank you for your attention !
