Travelling is one of the reason why people study foreign languages

Ват Ронг Кхун, Таиланд

There are many reasons for going abroad.

Tourism is becoming more and more popular in the world nowadays.

Many people want to learn a new culture .

Other people want to see the beautiful countryside, visit new places and enjoy sights.

The third reason is: to meet people and make new friends.

Besides, travelling is a good way to meet new friends and practise foreign languages.

The main reason is: to practice English and other languages
