Hello!

My name is Ricky! I am from planet Mars. Do you know it? The weather is hot here. I want to fly to your planet Earth. But I have a problem, I do not know what's the weather like on your planet. Can you help me to pack a suitcase?

Rob and Max play

Winter is white.

They are wearing jeans  
and coats.

The weather is cold  
and windy in winter.
