My pet (cat). His name Pankrat. He is 7 years old and the cat is 49 years old. His hair is dark brown color, almost black. Very fluffy. Brown eyes. Long mustache. A wet nose.

He eats Whiskas and fish. Still loves milk and pasta with butter

MY FATHER BOUGHT THE CAT IN 2003.

**Pankrat is drinking water
from the tap.**

He prefers it that way!

Likes to travel to the country!

There he has many friends. But other people's cats from the site runs. Maybe even a fight. He catches mice and brings my mom, and mom isn't happy.

**Pankrat is my
best friend!**
