1. 📺 📺 Jack's best friend Ben says that he is always busy.

1) Is Ben really busy all the time?

I'm always busy! I've got schoolwork, homework, football practice and my pet dog, Judy. But I have time for all these things. Here is my day: I get up at 7:00 am. I wash, get dressed and have breakfast. I don't watch TV in the morning. (This is my rule number 1.)

My school starts at 8:00 am. At 4:00 pm I come home. What do I do after school? I have dinner, watch TV or go on the computer. After that I do my homework but not every day. Why? Here is what I do: I work at school a lot! (This is my rule number 2.) At 6:30 pm on Wednesdays and Fridays I go to football practice. It is great fun! I come home at 8:00 pm. I eat and watch TV. My bedtime is 9:30 pm. Oh, I forgot! Every evening I walk Judy. She likes going for a walk with me! But I don't have time for my friends. Too bad! But we often talk over the phone or on the Internet. At weekends I can be VERY lazy. I can stay in bed and watch TV all day long!

The background is a textured, light-colored surface, possibly a book cover, with faint, large-scale patterns. A prominent feature is a large, rounded green rectangle in the center, which serves as a backdrop for the text. The text is centered within this green area and consists of several lines of bold, dark blue or black font. The overall aesthetic is that of a study or organizational chart.
