Ex.5 p.166 Read the text.

The world is a very **beautiful** place. There are **mountains**, rivers and large **forests**. But some people **destroy** the **environment**.

They cut large trees. They destroy forests because they want to change forests into farm land.

People walk on the mountains. They destroy the grass. They kill plants. They **dump** their **rubbish** on the mountains because they do not want to carry it.

On the Zhaiyk River in Kazakhstan the factories **pollute** the river with dirty water. People kill **red herring** in the river because they want the **caviar**. They take the caviar and they throw away the fish.

The British clean the rivers. We also clean the rivers. The Americans protect the Redwood Forest. They don't cut the big, old trees. We also don't cut trees. In Kazakhstan we help the environment a lot.

In Kazakhstan we do not test **nuclear bombs**.
