

“Who Discovered America?”

Project: “Who Discovered America?”

Introduction:

I have chosen this topic because I consider discovering America to be a great event. Moreover, I admire the Pilgrims. They were really brave and determined people who wanted to be free and to form a new kind of society based on their own ideals.

In November, 1620 the company of 100 people landed on Cape Cod.

The Pilgrims made friends with the Indians who taught them how to grow crops.

Conclusion:

From this project we have learnt who discovered America. In my opinion, to know history is very important as it helps us to understand present events better.
