

ENGLAND

Sight

SIGHTS OF ENGLAND – ONE OF THE MAIN REASONS TO VISIT THIS ATTRACTIVE COUNTRY. ENGLAND – THE OLDEST OF THE MONARCHIC STATES OF EUROPE WITH SPECIAL CULTURE, STYLE, HISTORY AND SPIRIT OF THE ARISTOCRACY. BESIDES INCOMPARABLE CULTURE AND A SET OF VALUES, THIS STATE ISN'T DEPRIVED ALSO OF THE PICTURESQUE NATURE. ALSO ENGLAND IS WELL-KNOWN FOR THE WHOLE WORLD FOR THE LITERATURE, AN INTERIOR DELICACY, BEAUTIFUL ARCHITECTURAL SIGHTS AND, NOT MEETING ANYWHERE ANY MORE, A WAY OF LIFE. HAVING VISITED THE KINGDOM, INVOLUNTARILY YOU JOIN ITS MAGNIFICENCE AND YOU LIKE THAT UNIQUE ATMOSPHERE THAT REIGNS THERE. THEREFORE, WE PRESENT YOU TODAY 19 BEST SIGHTS WHICH ARE OBLIGATORY FOR SEEING IN ENGLAND.

BIG BEN

Sights of England, such as world famous clock tower big ben, are the hallmark of the country. This place of interest became a symbol of London, accompanying the city on all brochures and cards. Big ben is in the list of the most big clock of the world today. From the bottom of a tower the spiral staircase which conducts on the platform with a bell is directed up. It isn't possible to get in a tower for safety reasons, but only one view from the street will bring great pleasure.

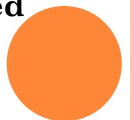

THE BRITISH MUSEUM IN LONDON

The British museum in London – one of the largest museums in the world. Also it treats the most visited cultural sights of Great Britain and it is considered the main historical museum of the country. The huge exposition of a construction will please fans of history and archeology. Feature of this museum is its universality: here cultural values of a set of the countries of the world settle down, for each of which the halls are allocated. And what especially pleases, so it is free entrance for visitors.

SHERLOCK HOLMES MUSEUM

The Sherlock Holmes Museum became a surprising place of interest of London. It is remarkable the fact that arose thanks to the world famous work of Arthur Conan Doyle. The museum is located on the same street, as the house of the famous detective from pages of the story. It is that case when the literary work is projected in reality. In house museum it is possible to bypass precisely reproduced rooms of the detective and to be photographed for memory.

TOWER OF LONDON

Built in the second half of the XI century, the

Tower is a symbolical place of interest of England today.

The history of this beautiful fortress is very rich and various.

Tower was prison, arsenal, mint and even a zoo. Transfer of "roles" of this ancient fortress can be continued for a long time.

Today the Tower became one of the most visited sights in the world.

TOWER BRIDGE

Also Tower Bridge — the hot tourist place and a symbol of the capital of England isn't less known to the world. The bridge at the same time is both trailing, and adjustable.

On ladders in towers it is possible to get on the top gallery with which the magnificent view on the vicinity opens. Also in gallery the museum open for visit is located every day.

Especially it is worth visiting the bridge in night-time when it is consecrated with evening fires - it is really fascinating show!

TRAFALGAR SQUARE

Quite important place of interest for London is the Trafalgar Square. Its importance is connected with a historical victory of the English fleet at Trafalgare in 1805. This battle is also immortalized in the name of a place of interest.

Here in 1945 Churchill informed London on the termination of World War II.

Today the Trafalgar Square — the constant venue of meetings, festivities and other public events.

BUCKINGHAM PALACE

Undoubtedly, one of the most known sights of the Kingdom England is the Buckingham Palace attracting a huge number of visitors. Now it carries out a role of the London residence of the queen of Great Britain. On the infrastructure the palace resembles the small town.

Doors of Buckingham Palace are open for tourists from

August to September – when the queen leaves the residence. The luxury and beauty of the palace can be taken away – the shop with exact copies of palace objects is located here.

YORK CATHEDRAL

There are in England also beautiful religious sights. One of them — the second for the size in northern Europe the York Cathedral. Also this temple is well-known for the huge windows stained-glass windows. The Catholic services passing in a cathedral will present to visitors improbable impressions.

Construction of the temple began in the first half of the 13th century and lasted two with small centuries. In the first half of the 15th century

construction of a cathedral was ended, but for many centuries he suffered from the fires more than once. Nearly ten years ago its restoration ended, and doors of a beautiful cathedral are open for visitors again.

CANTERBURY CATHEDRAL

The predominating role among Anglican shrines in England is occupied by beautiful Canterbury Cathedral. This ancient temple has been built in 603 in primordially Gothic style. But It should be noted that the modern facade of the temple is already unlike on initial – after the fire of 1174 the shrine has been restored, but in other appearance. Canterbury Cathedral became an object of the world heritage of UNESCO.

STONES OF STONEHENGE

Property of antiquity in England are the stones of Stonehenge existing already about five thousand years. This mysterious construction from megaliths is entered in the List of the world heritage of UNESCO. There is a set of versions of emergence of this ancient place of interest, but still it only assumptions and hypotheses, and the exact facts which are slightly opening a veil of emergence of Stonehenge no. Of course, it isn't allowed to go between stones, but some guides make concessions.
