Let's have a rest and sing a song

A large illustration of a savanna scene. On the left and right sides, two monkeys are hanging from a thick, dark tree branch. In the center, there are two vertical columns of teddy bears, each holding a large, colorful number. The left column contains numbers 10, 9, 8, 7, and 6. The right column contains numbers 5, 4, 3, 2, and 1. Between these columns are various animal groups: a green snake, four tigers, three sleeping gorillas, five black cows, and five lion cubs. To the right of the numbers, there are four owls wearing glasses, three green lizards, two green parrots on wooden perches, and a large green tortoise. At the top right, there is a small photograph of three llamas in a field. The background is a light green field with a dark green leafy border at the top and a colorful floral border at the bottom.

can

climb

well

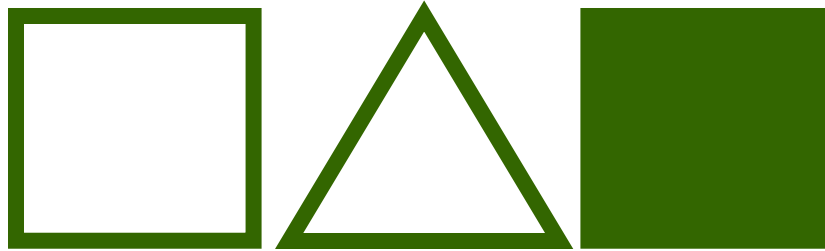

My

cat

My cat can climb well.

Eat bananas
Jungle-Jungle

A vibrant cartoon illustration of a savanna scene. In the center, a large white rectangular area contains the text "Thank you!" in a bold, orange, sans-serif font. To the left, a zebra with black and white stripes is perched on the back of a lion with a large brown mane. Both animals have their mouths open as if laughing or shouting. In the foreground, a giraffe with a brown and white patterned neck is lying down, looking towards the viewer with a wide, happy smile. The background features rolling yellow hills, several palm trees, and a blue sky with light clouds. The entire scene is framed by a decorative yellow border with a stepped, geometric pattern. At the top and bottom of the image, there are decorative borders: the top one consists of green leaves, and the bottom one consists of green foliage with small red and orange flowers.

Thank you!
