«A mysterious word»

Guess the word:

(количество букв в названиях совпадает, первая буква в обоих языках графически совпадает)

insect = sport

? = cricket

«A very strange event»

There were 13 British colonies on the North American continent. They were part of the British Empire and they paid taxes to the British king, who was 3000 miles away across the Atlantic. The colonies didn't like it, and when Britain raised taxes, they protested against it. Fighting began in a city, where colonists attacked a British ship and threw its cargo of tea into the sea. **The event is called**

«False friends»

Can you translate these obvious words correctly?

Match!
