

INTERPRETING WORKS OF ART

The aim of the lesson is
to develop critical thinking,
to analyze and interpret works of art
making use of suppositions.

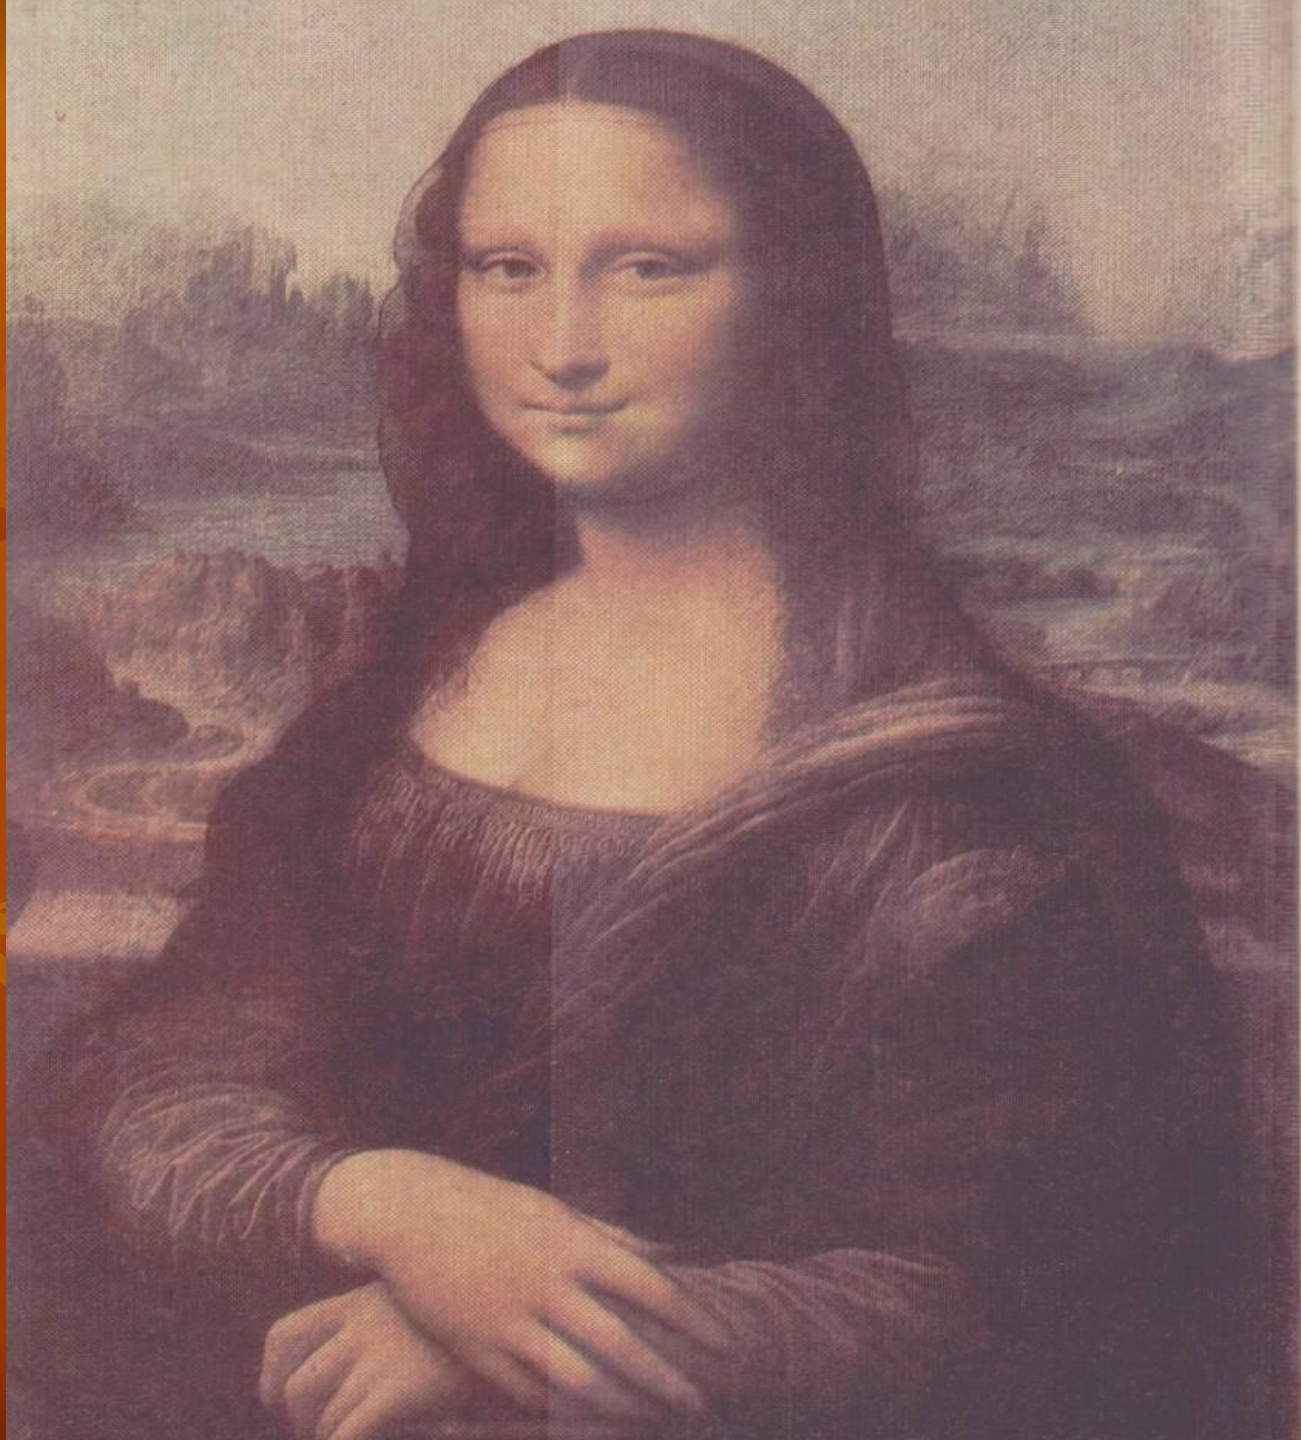

MEMORY WORK

***To understand pictures of all kinds
belonging to different cultures***

***spectators should see eye to eye
with painters,***

***that is realize the principles the
artists believe in and stick to.***

**ART IS A VEIL
RATHER THAN A
MIRROR**

OSCAR WILDE
