The Chuvash Republic is situated on the picturesque bank of the Volga river in the European part of Russia. The territory of Chuvashia is 18.3 thousand square km.

The state symbols of the Chuvash Republic

The Coat of Arms

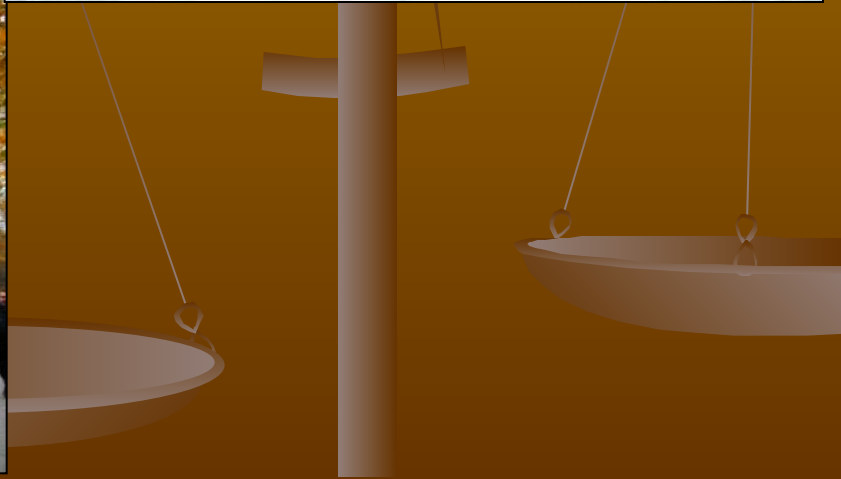

The state flag

Chuvashia is a subject to the Russian Federation. The head of the Republic is Michail Vassilyevich Ignatyev.

Chuvashia is located in a temperate continental climate, and is included in the step and forest natural areas

Cheboksary is the capital of our republic.
Cheboksary is an administrative, economic and cultural center.
It was founded in 1469 it is an ancient city. Cheboksary is situated on
the right bank of the Volga River.

A bay is the pearl of the chuvash capital. There we can see beautiful singing fountains, water bikes and street cafes.

There are many monuments in our capital. The most famous is the Monument of Glory.

There are several museums and theatres in Cheboksary. Among the theatres, there is the Drama Theatre, the Musical Theatre. Among the museums the most famous are Arts Museum, Chapayev museum.

Alatyr is my native town. It was founded in 1552 by Ivan the Terrible. Today it is an industrial, cultural and administrative centre.

There are many historical buildings in our town .
Many churches were build in Alatyр.

I am a student of Railway technical school. There are many cities and towns in Russia, but I like my native town most of all.

Chuvash folk traditions are rich and various.

I think the Chuvash people are very hard – working, kind
and hospitable

I am proud of my Motherland and invite you to come
and see it. You are welcome!
