Top hobbies you'd like to take up

■ Horse-riding ■ Climbing ■ Figure-skating ■ Hokkey ■ Fishing ■ Hunting ■ Athletics ■ Nothing

My Hobby

- ▶ I have many Hobbies. Most of all I love to make something with Legos

The History of Lego

- ▶ In 1932, a carpenter and joiner Dani Ole Kirk Christiansen organized a small company which produced wooden ladders, iron boards and toys. But the toys were the most popular and two years later the company began to deal exclusively with them.

- ▶ On my birthday I received the gift of a new Lego set. I'll have fun -it is necessary to build a big truck. It's very interesting.

My mother's hobby
My Mum doesn't think that
collecting is boring.

My father's hobby
My Dad likes fishing. Me too.

My sister's hobby
My sister collects dolls and
Kinder surprises.

Conclusion

We have learned that the interests of the students of our school, mostly do not match, but significantly they are different, due to different reasons. We try to present all the information to the students of the school, parents and the teachers.
