HUG THE EARTH

Walking along feeling free
Feeling the Earth here with me
And I love her. She loves me
I hug the Earth, the Earth hugs me.
She's our friend,
We'd like to be together forever.

**The Earth is our garden
It's a beautiful place**

For all living creatures
For all the human race,

Helping Mother Earth

We can peacefully roam,

We all deserve a place

We can call our home.

Food is a treasure from soil and the sea.
Clean fresh air from the plants and the trees
The warmth of the sun giving life each day
Turns water into rain, it's nature's way.

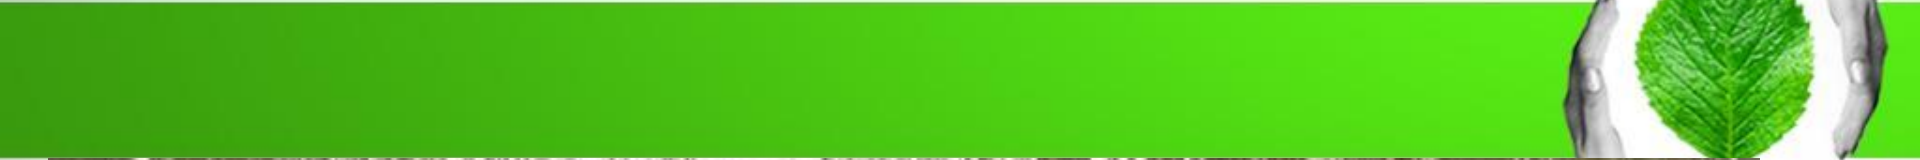

**And I would like to thank you, Mother
Earth,**

**I like to see you dressed in green and
blue**

I want to be by you.

Свободно по земле шагая, говорю:
Приветствую тебя, любимая планета!
Люблю тебя, и ты люби меня,
Ведь мы с тобой друзья,
Всегда я помню это.
Прекрасный сад земной!
Для всех ты дом родной,
Есть место всем живым на солнечной
планете.
Смиренно просим мы:
О, Матушка - Земля, ты людям помоги,
Они - твои родные дети.
Дай пищу нам из почвы и воды,
И чистый воздух из листвы и хвои,
А солнце попроси, чтоб согревало нас
И радовало дождиком и летнею грозой.
А в благодарность постараемся помочь тебе,
Земля,
Твоё пусть не поблекнет платье голубое.
У нас с тобою общая судьба,
Мы помним это, мы всегда с тобою!
