

# SHOPS AND SHOPPING

When we want to buy something we must go to the shop. In the shop window we see what is sold in the shop.

Sugar, tea, coffee, salt, pepper, ham, bacon and so on are sold at the grocer's.

Bread is sold at the baker's, meat at the butcher's.

We go to the greengrocer's for vegetables and fruit.

Cakes and sweets are sold at the confectioner's

.

When we want to buy clothes, we go to the outfitter's.

We buy boots  
and shoes at the  
shoe shop.

We buy jewellery  
and silver and gold  
watches at the  
jeweller's.

We buy books at the bookseller's.

The salesman or salesgirl stands behind the counter. The cashier sits at the cash desk.

Some shops have many departments. We can buy nearly everything we need there. These are called department stores.

In some shops there are no salesmen or salesgirls, but only cashiers. The customers choose the goods they want and pay at the cash desk. These are called self-service shops.

Thanks for your  
attention 😊
