7. Вспомни формы **Past Simple** глагола **to be**.

1 Professor ... here ten days ago. 2 I ... in London last week. 3 We ... at school yesterday. 4 He ... at the airport yesterday.

Когда мы рассказываем о том, что происходило в прошлом, или о том, что кто-то сделал или делал некоторое время назад, в предложении используются формы глагола **Past Simple**. Как правило, при этом есть указания на конкретное время в прошлом: *on Monday* (в понедельник), *last month* (в прошлом месяце), *two hours ago* (два часа назад).

She **mended** the rope ladder on Monday. (В понедельник она *починила* лестницу.)

They **walked** to the village. (Они пошли в деревню.)

Большая часть английских глаголов в прошедшем времени имеет форму, которая оканчивается на **-ed**. Такие глаголы называются *правильными*. Их формы можно легко образовать.

I/you/he/she/it/we/they **walked**, played
