**A fir – tree was born in the wood.
And in the wood was seen.**

**In summer and in winter cold
It always was green**

In summer and in
winter cold
it always was
green

**A snow-storm
Sang song to it :
“Sleep, little tree,
Bye, bye”.**

And frost with
snow
Covered it:
“Sleep, little
tree,
Don't die”.

**And frost with
snow
Covered it:
“Sleep, little tree,
Don't die”.**

**But now it is
shining
with many , many
toys**

**And all the boys, and all the
girls are very, very joyous**

**And all the boys,
and all the girls
are very, very
joyous**

**A Fir-tree was born
in the wood
And in the wood
was seen**

In summer and in winter cold
It always was green.

**In summer and in winter cold
It always was green.**
