Read Nick's letter and complete the questions.

Dear Tom,

Thank you for your letter. I like your photos very much.

Last summer I was in Moscow. It is very beautiful.

There are a lot of interesting places: Red Square, the Kremlin, museums and theatres. I was in Red Square.

There were many people in the square.

It was fun to visit it!

Tell me about your friend Roger. Does he like to travel?

Write to me soon.

Bye,

Nick
