

Wales

- The **territory** of Wales is 20700 km². It makes Wales the 3-d largest country in the UK after England and Scotland. It is the land of green fields, farms and mountains

- 
- The three main cities of the country are Cardiff, Swansea and Newport. They are situated in the South of the country.

- The Capital of Wales is **Cardiff**. It stands on the river Taff. It is the biggest city in the country with the population of 350 000.

● **Swansea** is situated to the northwest of Cardiff.
It is a cozy city, the cleanest one in the UK.

- If you want to see the beauty of high cliffs , you can go to the simple, but picturesque city of **Newport**.

- **Snowdon** is situated in the North.
- It is the second highest mountain in the UK after Ben Nevis in Scotland. It's height is 1085 m.

- If you want to go to the top of Snowdon , SMT will take you there. It is 100 years old.
- On the top you can see the touching and striking beauty of the mountains. But in winter Snowdon is rather dangerous for tourists.
