Ex.: Dragonflies are...

THE FIRST REASON

A lot of species –
fish, reptiles, insects, birds, mammals –
may die before they have children. The reason is
Man that kills animals and destroys their habitats.

A lot of species – fish, reptiles, insects, birds,

Animals in the Zoo

By Allan Fowler

BY ALLAN FOWLER

Zoos for wild animals

ZOOS

- Animals in zoos are safe from hunters **for**
- It's cruel to take away an animal's freedom **against**
- Often kept alone in small cages, can't move freely **against**
- Many become so bored & unhappy that they die **against**
- Species which can't survive in wild can be bred in captivity **for**
- Feeding animals at the zoo **for**

WILD ANIMALS AS PETS

- As for me...
- I think that...
- As my mind...
- I don't agree...
- I must agree that...
- You are quite right...
- On the one hand it is...,
but on the other hand...

Examples of dialogues:

- Do you have/ like pets?
- Yes, I do.
- What is your pet?
- It is...
- How do you take care of it?
- I look after my... I give protection and ... to my pet.
