Основные понятия: tourist attractions, places to visit, things to see

Ресурсы: карта Великобритании, карта Лондона, презентации, информационные ресурсы сети Интернет, раздаточный материал (тест).

Введение (Introduction)

London is one of the most exciting and cosmopolitan cities in the world. It has the greatest concentration of major attractions in Britain and boasts four World Heritage Sites. There's nowhere else in the world where you can see so much for so little. Choose from the classic British Airways London Eye to museums and galleries, or head outdoors to one of London's many parks.

Imagine you are the young journalists working on the article about London for a tourist magazine. So you are invited to go on a trip around London in order to have a quick overview of main tourist attractions of this city. You will know about the history of London, amazing things to see and interesting places to visit.

Let's get started and explore those places of interest which are most of all worth visiting.

Finally, you have to make a presentation for our lesson using a multi-medium to tell the readers about the places you would like to see and visit in London.

To fulfill what we have planned for, you have to answer all the questions.

Surf the Net and gather as much information as possible about London.

You are supposed to be active, creative and curious in doing this project.

Задание (TASK)

London has a history going back over 2,000 years. In the main time, it has grown to one of the most significant financial and cultural capitals on Earth. What places in London would you like to visit? What facts of London's history attract you?

To answer these questions you will need to work in small groups or individually. And complete tasks and assignments.

To begin you will also need a travel notebook. In this notebook you must write down all the information needed for your research. Don't forget to save some images for your research. They must help you to reflect the peculiarity of the places you are talking about.

PROCESS

For the lesson the whole class will be divided into 4 groups. Each group will get one aspect (London's history, Royal London, London's Landmarks, London Museums) . Your task will include the following:

PRE-CLASS PREPARATION

- study Web-based materials using links suggested;
- do additional Internet search for information on the target issue, if necessary;
- answer the questions;
- divide the material between all team members for presentation in class for the members of other groups;
- illustrate the results of your search by examples and create a Power Point presentation reflecting your ideas.

IN-CLASS ACTIVITY

Report to the whole class what you have learned on the topic for your group activity.

Conclusion (Заключение)

Great! You`ve explored the most exciting aspects of London. You have learnt lots of information about the places, "took pictures" of its beauties, presented it in the best way to your classmates and teacher. Now you have in store: extensive vocabulary on the topic, good skills of public speech and presentation, Internet competence, and of course... your impression of the place and your burning desire to visit it in the future.
