

My Family

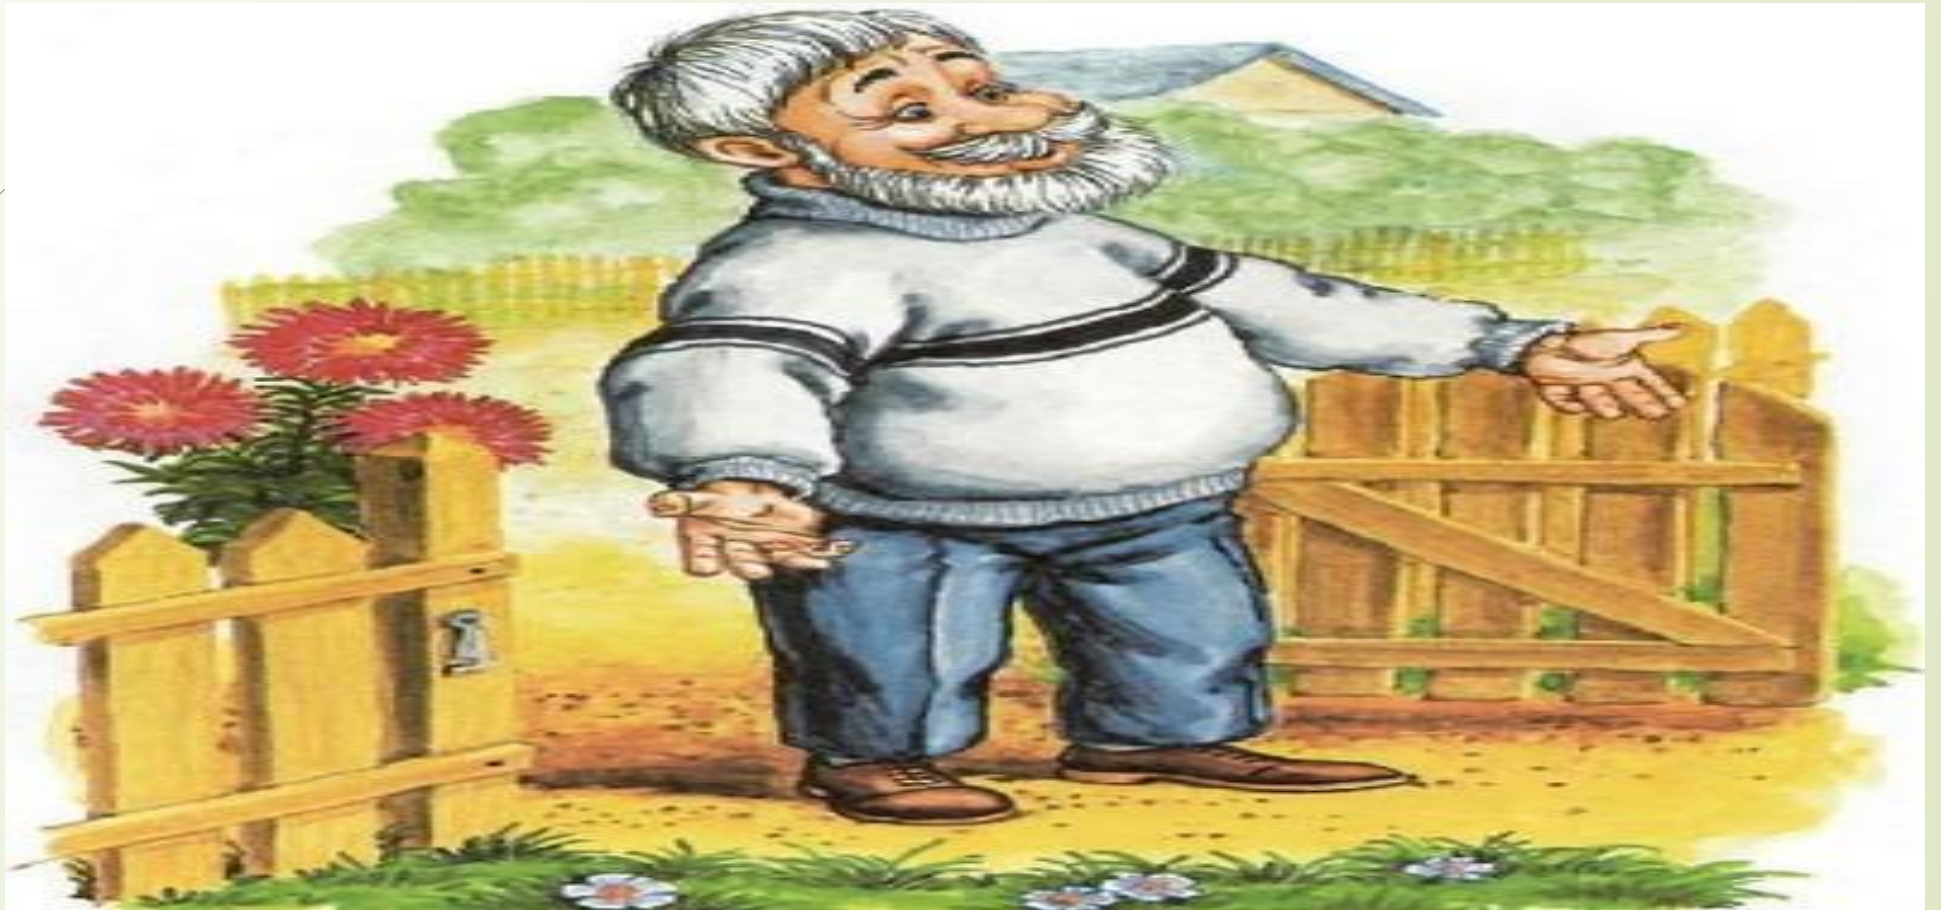

It's my father. He is tall and strong. We all adore his good sense of humor. He loves telling jokes and it always helps us.

It's my mother. I think she is very beautiful and intelligent. Mum is a bit serious but she is very popular among her colleagues and her friends.

It`s my grandfather. My granddad is a pensioner. He is quite old and he lives with us.

It`s my little sister. She is a pretty and calm girl.

As for me, my hobbies are listening to music, swimming and travelling. I love my family. I really enjoy the time that we spend with our family together.
