Grammar:

-You can use should, ought, and shouldn't to give advice and warnings.

You should try to ignore them.

They shouldn't copy your work.

What should I do?

- Should and ought to have same meaning. They are not as strong as must and have to.
- - There is no to between should and the main verb: ought is followed by to+ infinitive.
- - The negative form oughtn't to less common than shouldn't.
They oughtn't to copy your work.
- We can use had better instead of should when something is important now.
- ***You'd better tell a teacher or your parents.***
- ***They'd better not do it any more.***
