P

Welcome to  
London !!!

The best place in world!

London

London is the British capital and one of the biggest cities in the world.

*London is situated upon both banks of the River Thames, it is the largest city in Britain and one of the largest in the world.*

*Its population is about 7 million people.*

It consists of three parts:  
the City of London, the West End  
and the East End.

**The City of London**

**the West End**

**the East End**

**LONDON**

# The West End

The best places of the West End

Buckingham Palace

Kensington Gardens

St. James's Park

Hyde Park

# Buckingham Palace

Kensington Gardens

# St. James's Park

Here are the historical places as well as the famous parks. Hyde Park with its Speaker's Corner is also here.

# The Queen's Residence

The Queen's Residence was built in 1870 for Samuel Barnard, a vice president of the Paper Company.

The 1700's the Queen's Residence was a gift from Henry Ford.

# Big Ben

The name Big Ben actually refers not to the clock-tower itself, but to the thirteen-ton bell hung within. The bell was named after the first commissioner of works, Sir Benjamin Hall.

A daytime photograph of the Elizabeth Tower (Big Ben) in London. The tower is a tall, ornate Gothic Revival structure with a prominent clock face. The sky is overcast and grey.

This bell came originally from the old Palace of Westminster, it was given to the Dean of St. Paul's by William III.

Before returning to Westminster to hang in its present home, it was refashioned in Whitechapel in 1858.

A nighttime photograph of the Elizabeth Tower (Big Ben) in London. The tower is illuminated with warm orange and yellow lights, making it stand out against the dark blue and black night sky. The clock faces are brightly lit.

The BBC first broadcast the chimes on the 31st December 1923 - there is a microphone in the turret connected to Broadcasting House.

# The East End

A scenic view of the River Thames in London at sunset or sunrise. The sky is filled with dramatic, dark clouds, with a bright light source breaking through on the right side, casting a golden glow over the scene. The river flows from the foreground towards the background, where a large bridge is visible. Buildings line both banks of the river, and a few boats are on the water. The overall atmosphere is serene and picturesque.

To the east the large area called the East End. This is London's poorest part.

The very large riverside in the East End make London one of the three largest parts in the world.

# Tower of London

Founded nearly a millennium ago and expanded upon over the centuries since, the Tower of London has protected the city

It has been the seat of British government and the living quarters of monarchs, the site of renowned political intrigue, and the repository of the Crown Jewels.

# Tower Bridge

Tower Bridge has stood over the River Thames in London since 1894 and is one of the finest bridges in the World.

# The City of London

The City extends over an area of about 2.6 square kilometres in the heart of London.

It's the financial centre of the UK. It houses banks, offices and the Stock Exchange. But the City is also a maze of gothic churches and winding narrow streets of the old town.

Museums and art galleries of London.

Tate Gallery

London is very rich in museums and art galleries. If you are fond of painting you'll go to the Tate Gallery.

Tate Gallery

A rich sugar manufacturer Henry Tate founded it in 1897.

There are about 300 oils and 19000 watercolours and drawings.

**The British Museum is the largest and richest of its kind in the world.**  
**The present building was built in 1852.**

The British Museum

*By law a copy of every book, periodical and newspaper, published in Britain must be presented in the British museum.*

This collection is so vast that only a very small percentage of it is on show to the public.

# The famous places in the London

# Globe Theatre

The original Globe Theatre was built in 1599 by the playing company to which Shakespeare belonged.

# Trafalgar Square

# The Cathedral of Saint Paul

Piccadilly

Statue on border the city of London

Cleopatra's Needle

Queen Victoria Memorial

# VII Doing tasks

## Task 1
