Let's pretend now that we had a nice time while travelling. Work in pairs.

Table 1.

We did	some	sunbathing
	a fair bit of	fishing
	quite a lot of	shopping
	a lot of	walking
	plenty of	climbing
	too much	sightseeing
	far too much	driving

Table 2.

That's	how	you	got so tired
	why		have no money left
			saw so much
			enjoyed yourself
			got so many things
			spent the time

There are many proverbs about travelling.

Find the half

Every country has	long lies
There is no place	its customs
The wider we roam	home is best
Long ways	like home
East or West	the welcomer home
