*Doreen's family*

I have a large family. My grandmother lives with my mother and father, and she's called Ellen. Then I have a brother who's called Richard, who lives in Oxford, that's near London, and a sister, called Camilla who lives in London. My aunt is called Sarah and my uncle is called Tony. Then, there is my husband Pete. Oh, I nearly forgot, my mother is called Mary and my father is George. We are very close.

4. George is Mary's \_\_\_\_\_.
5. Mary is Doreen's \_\_\_\_\_.
