

HALLOWEEN HORROR STORY

Anastasia-It's scary here. It's so dark.

Diana-Don't be scared like a hare. We are together, you are not alone.

Anastasia-In the films first people are together and then...

Diana-What do you think can happen? But I am at home now. Goodbye, see you at the practice class.

Anastasia-See you. It's fearful here, but stop. Stop thinking about scary things. I am not afraid!

(Vampire appears)

Vampire-What are you talking about?

Anastasia-I am not afraid! But who is this?

Vampire-Hello. M... I can smell blood from you. I think I can have a good supper. And my friends witches, the Devil and Freddy will get some meat too. They will be very pleased!

Anastasia-Don't eat me! I'm very thin. Oh, you are a vampire. It's cool. Turn me into a vampire, please. I beg you! I've been thinking about it for a long time! I've read a very interesting book called «The Vampire Diaries»

Vampire-Aren't you afraid of me? Only nonsense is written in this book! Vampires can't be kind.

Anastasia-But I'd like to be a vampire too.

Vampire-Are you ready to leave your family ,friends and school?And what's more, are you ready to die and to be born again?

Anastasia-So, as for the school it's ok. I can leave it and I won't even miss it . And as for being born again, it's nice too.

Vampire-I don't know, I think I should ask my family .

(Freddy, Dark Angel, Elena Gilbert appear)

Freddy- Who's that? Why is the food alive?

Dark Angel- Shall I do all the dirty job again?

Elena Gilbert-I would like, I want .

Freddy-I will do it better.

Elena Gilbert-No, get aside or I'll beat you .

Dark Angel- Freddy Kruger, Elena Gilbert! We are having guests.Behave yourselves!

Vampire-This is our guest.She begs me to turn her into a vampire .

Elena Gilbert-I don't like the idea . Last time when you tried to eat me I could get away ! It was not very pleasant .And why do you smell me at nights? Am I tasty ?

Vampire-Yes ,you are.

Dark Angel- As for me , I don't want a new vampire either .I don't want to clean twice as much . And you are having so many problems !

Freddy-Yes , you are right. And I don't want to learn a new name ! Look ! The girl is blond , I'm sure , she 's stupid and she 's very thin. We won't be able to feed her for the holiday .

Dark Angel-OK, I think I'll give you 3 tests and the first test will begin at once . If you do the tests you'll stay with us , if you don't do them you'll go home . And don't ask me questions I'm a dark angel. I can't stand kindness . Now, the first test .

Elena Gilbert- I'm the first! Can vampires be in the sun?

Anastasia-No, they can't.

Elena Gilbert-Yes,they can. On the day of Halloween ! Ha Ha Ha

Dark Angel- How can a vampire be killed?

Anastasia-A stick into the heart! And there is a special plant that can do vampires harm.

Dark Angel-No, you are wrong ! There is not such a plant and vampires are afraid of the fire .

Freddy - What is your name?

Anastasia - Anastasia

Freddy- You've failed!The name is too long ! I won't be able to learn it .

Dark Angel-What do vampires eat?

Anastasia- Oh, it's simple . They eat ,not drink , blood.

Vampire-People's blood?

Anastasia-Yes, but they can drink the blood of animals as well.

Vampire-No, vampires drink only human's blood .

Dark Angel- You've failed . Now you're having the second chance .Drop a very expensive vase and pretend that it was Diana who dropped it . Let her mom scold her!

Anastasia-Diana , but she's my best friend ...

Sevastpol.Diana's house

Diana-Oh, I am so tired after my dancing classes. Mom , what are we having for dinner ?
Mother-Cutlets and macaroni , honey ,which dance were you training ?

Diana- We were choosing Halloween's costumes and tomorrow we'll go and ask for money and sweets . We have already thought over what we'll say .

Mother-Oh,I want to listen to you and maybe I'll give you some thing but try your best ! And what are you going to be ?I've forgotten to ask you before .

Diana-We are going to be vampires . We are wicked vampires from the dark underground ,we'll drink your blood if you don't give us sweets and money.

Mother-Ha,ha Not bad !! remember the time when I was a child . We liked to pretend to be witches . Here is the money for you! Agreed?

Diana- Yes, of course (Her vase is falling). Oh mom , I am so sorry . I haven't seen the vase.

Mother-Oh, my vase. When are you going to be attentive and careful? So let me embrace you, I don't want to quarrel with you .

Diana-Oh, I love you so much .

(In the dark street)

Dark Angel-So the last chance . You should do your best to quarrel them .

Don't forget, we are angry ,not kind!

Elena Gilbert-Yes, have you understood?

We are wicked .

Freddy- Boo,wicked,very wicked!

Elena Gilbert-We are very wicked!

Dark Angel- Don't interfere ! You are not babies , are you?

Vampire-She is a child, it's clear, but Freddy is stupid . He was a hit in 1990s and now he is losing his power.

Anastasia- I've understood all. What shall I do?

Dark Angel-This is about Diana's future . I want you to make her fail at the concert and her mom will be disappointed with her!

Anastasia-But this is Diana , she is a grown up. And her mom is very clever ! What should I do ?I am not quite sure !

(Diana is going to dance on the stage)
Anastasia-This is my last chance so, I'll
turn on the magic music and switch off
the light ! (Switches off the light)
Diana - A?What is this? I won't let you
spoil my dance .
(She switches on the light and dances
very beautifully. All the people
applaud)

(At Vampire's Castle)

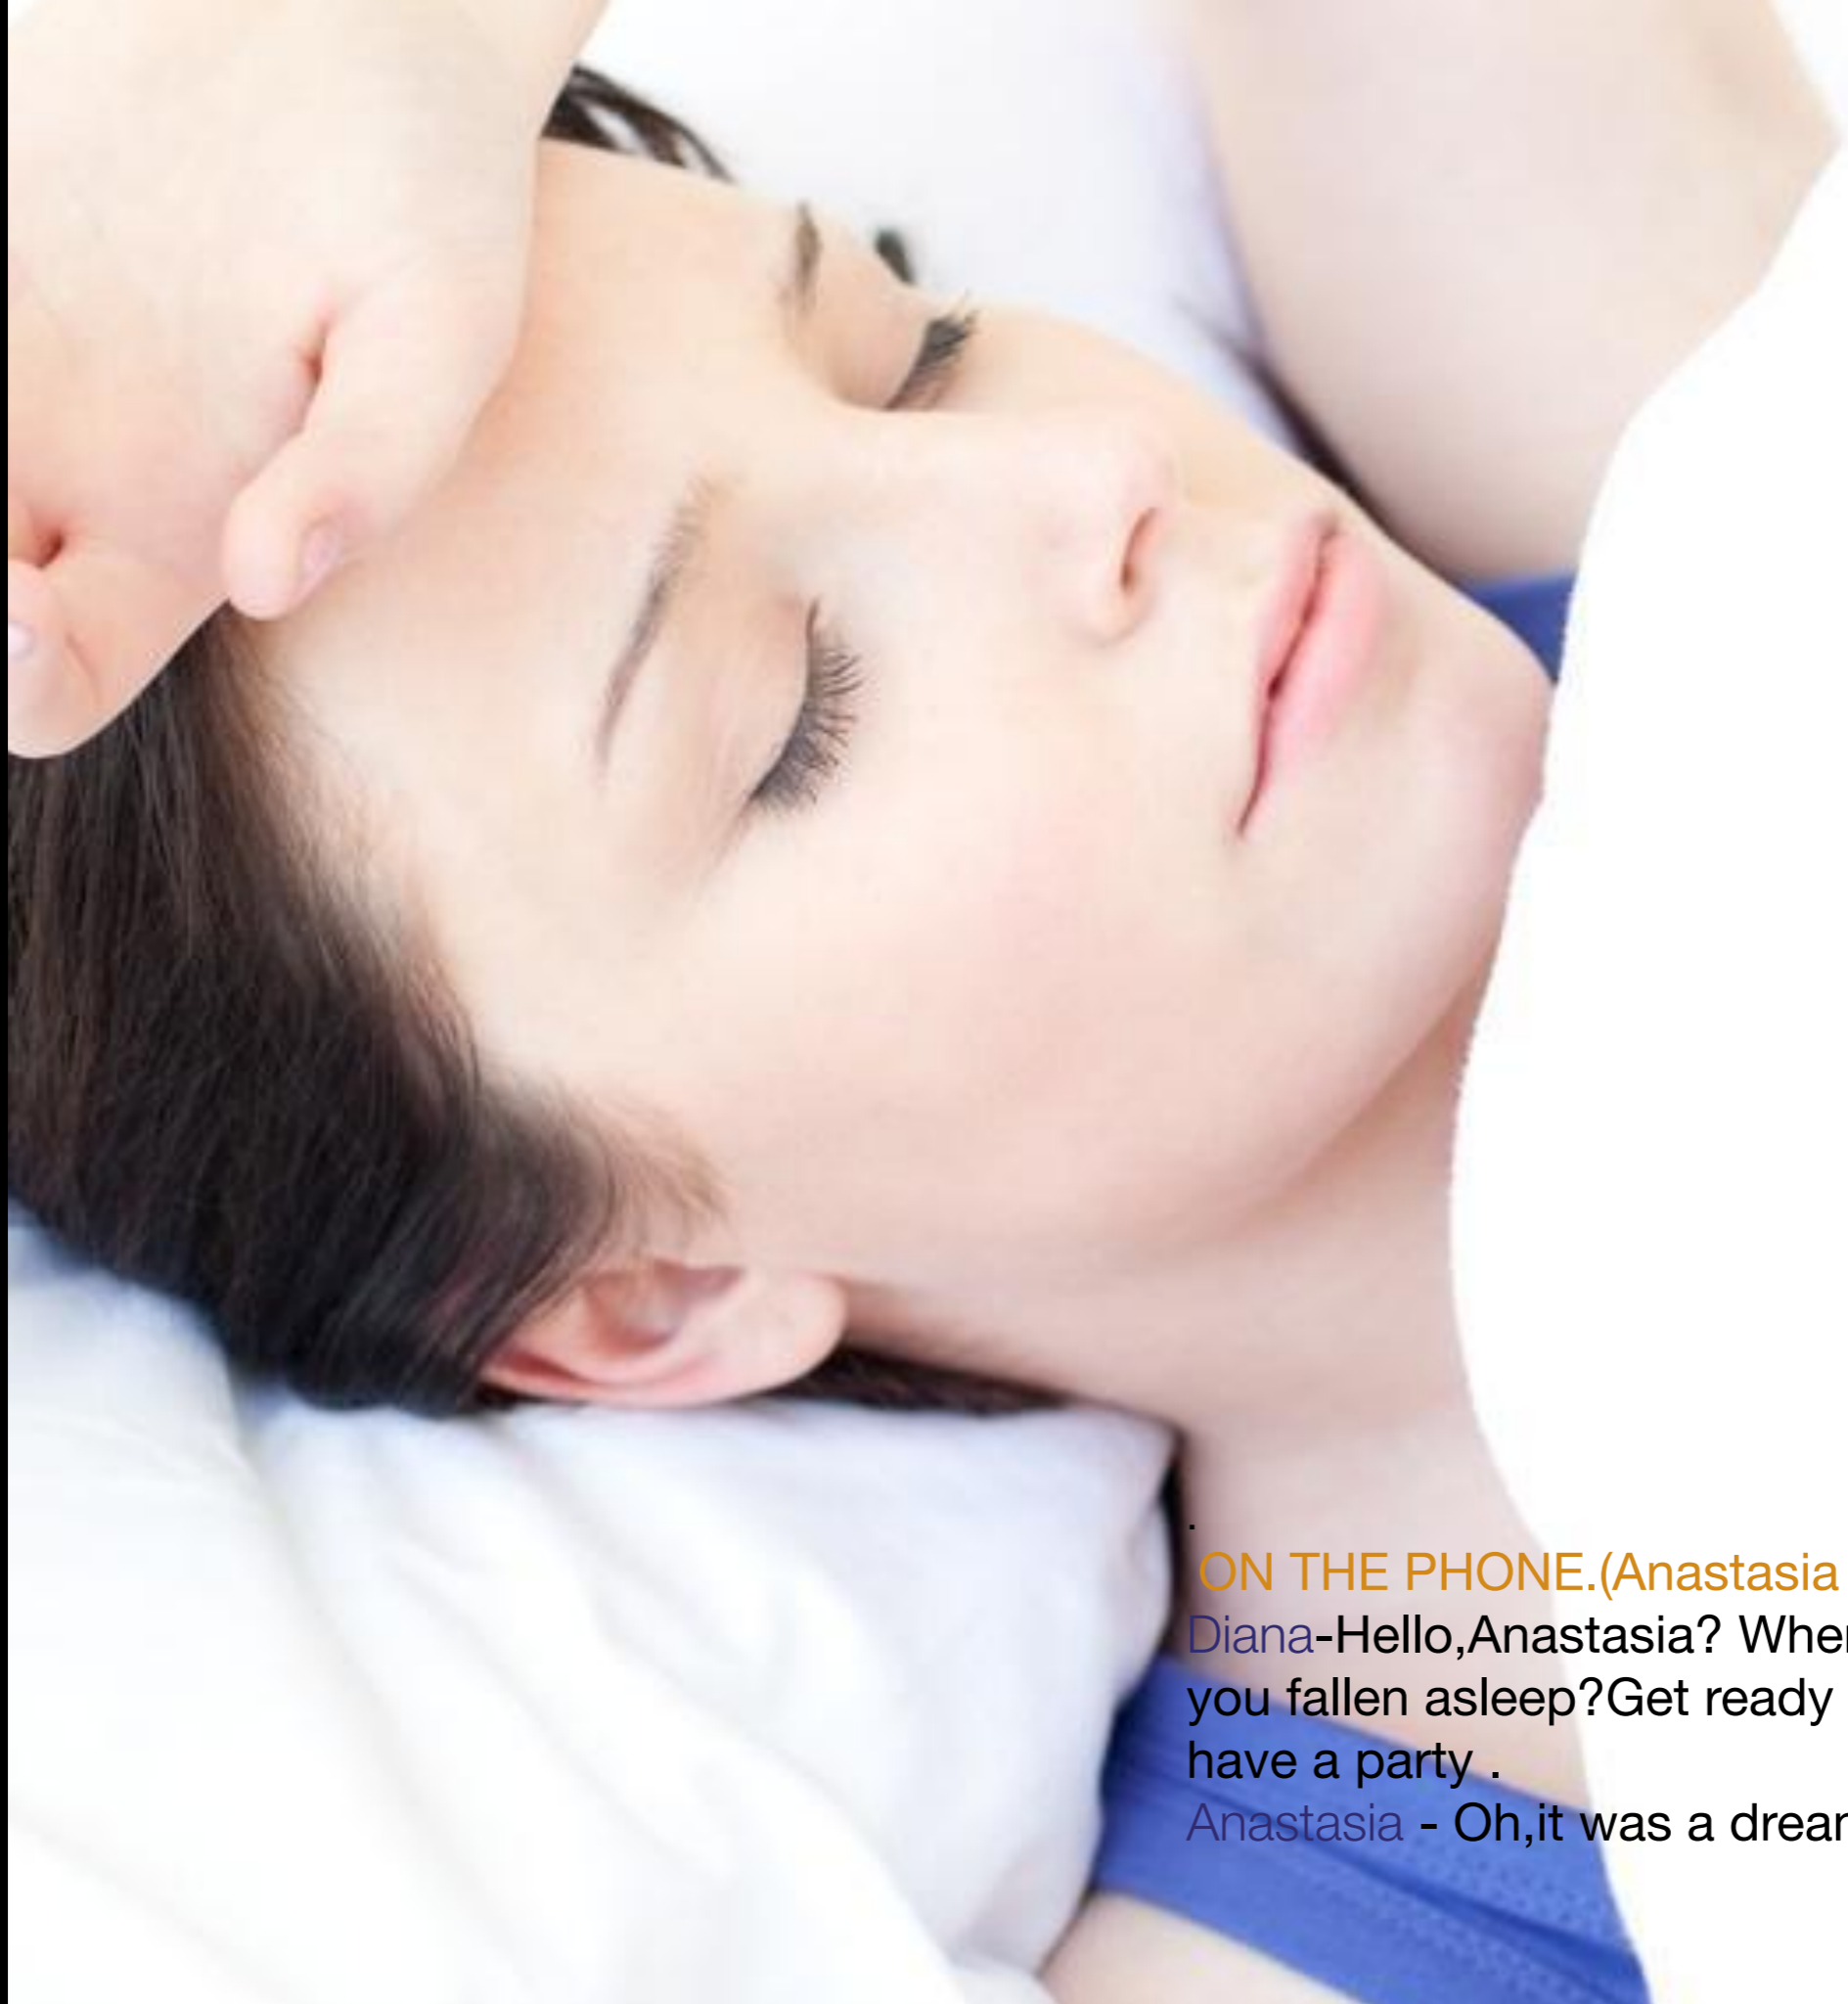

Dark Angel- You are hopeless! You are too kind.You can't be a vampire . In your world you are needed more . There are your friends and family there.

Freddy-Yes, and your name is too long . I don't like you.I have a strange feeling . I want to pet you .

Vampire-And I want to tell you that you must be what you are . Don't change yourself . If you are kind you won't be wicked .

Anastasia-Thanks a lot . I've understood at last I don't want to be a vampire ! I want to go home. Goodbye.
