

FAMILY

*Our family comes
From around the world
Our hair is straight
Our hair is curled
Our eyes are brown
Our eyes are blue
Our skin is a different colour too.
We laugh and cry
We work and play
We help each other
Every day.
The world is a lovely place to be
Because we are a family.*

I've got one sister and one brother. My sister's name is Helen. She's 17 and she's got a boyfriend called Oliver. My brother's name is Paul. He's got a lot of friends, but he hasn't got a girlfriend. We've got a house on Western Road in north London.

I haven't got any brothers or sisters, but I've got three cousins. My aunt's got a son and a daughter and my aunt and uncle in Australia have got a daughter, Charlie. They've got a fantastic house near the beach. Charlie has got a dog, too. Its name is Max.

Mummy's face

Rosy cheeks, nice nose and ears,
Smiling mouth, that's so dear,
Kind eyes that love always –
That is mummy's lovely face.
