REFLECTION

glimboo.com

A cheerful cartoon rabbit artist with a purple beret, yellow sweater, and red pants is painting on a large wooden easel. The rabbit is holding a red paintbrush and a palette with various colors. The scene is set outdoors under a bright sun with a smiling face. A butterfly is perched on the top left of the easel, and a dragonfly is on the top right. In the bottom left corner, a friendly cartoon bee is looking towards the easel. The ground is covered with a patterned rug and some paint supplies.
