# Случаи употребления Future Perfect.

Future Perfect употребляется:

- ▶ для обозначения действия, которое закончится до определенного момента в будущем:

*I will have finished my essay by 5 tomorrow. - Завтра к 5 часам я закончу писать эссе.*

- ▶ действия, которое будет продолжаться до определенного момента в будущем, а, возможно, и дольше, если оно выражено стативными глаголами или активными длительными глаголами (to live, to study, to work):

*She will have worked there 10 years next year. - В следующем году исполнится 10 лет, как она работает здесь.*

- ▶ Момент в будущем, о котором мы говорили в этих двух случаях употребления Future Perfect, может быть выражен: обстоятельствами времени часто с предлогами *by*, *till* другими действиями в будущем, которые в придаточном времени будут выражены глаголами в Present Simple (часто с предлогом *before*)

*I will have finished this project before Mother returns. — Я уже окончу этот проект до того, как мама вернется.*

- ▶ Или же контекстом или ситуацией.

*Three years! Fans will have forgotten me! — Три года! Поклонники уже забудут меня!*

Кроме того Future Perfect употребляется для

- ▶ действия, которое, как предполагает говорящий, уже произошло в прошлом.

*The audience will have noticed my negative attitude to drugs.* - Аудитория уже, вероятно, заметила мое негативное отношение к наркотикам.
