

Russia as The Americans See It

Degtyarova Alina.
Form 10

Our country is famous for its very rich, amazing and astonishing history. And a lot of foreigners are sure that our motherland is a mystery.

Americans are sure that there are
only 2 big cities in Russia –
St. Petersburg & Moscow .

**The Freezing Russian winter is a
myth**

A black and white photograph of Yuri Gagarin in his space helmet, looking out from space. The helmet is white with a clear visor, and Gagarin's face is visible inside. He is wearing a dark space suit. The background is dark and blurry, suggesting the vastness of space.

**Some people in the world still
believe that Russian children dream
to be spacemen**

**Yuri Gagarin
was the first
human to fly
into outer
space**

Bears are all around
us

The Olympic Mishka is the most famous bear in the world.

**The Olympic Mishka
was designed by
children's books
illustrator Victor
Chizhikov.**
