THANKSGIVING DAY

People decorate their houses with fruit and flowers of autumn and prepare traditional American food: turkey, potatoes and pumpkin.

HISTORY

In 1620 one hundred and two colonists came to America on board of the ship “Mayflower” and began their new life there. They built the town called Plymouth.

HISTORY

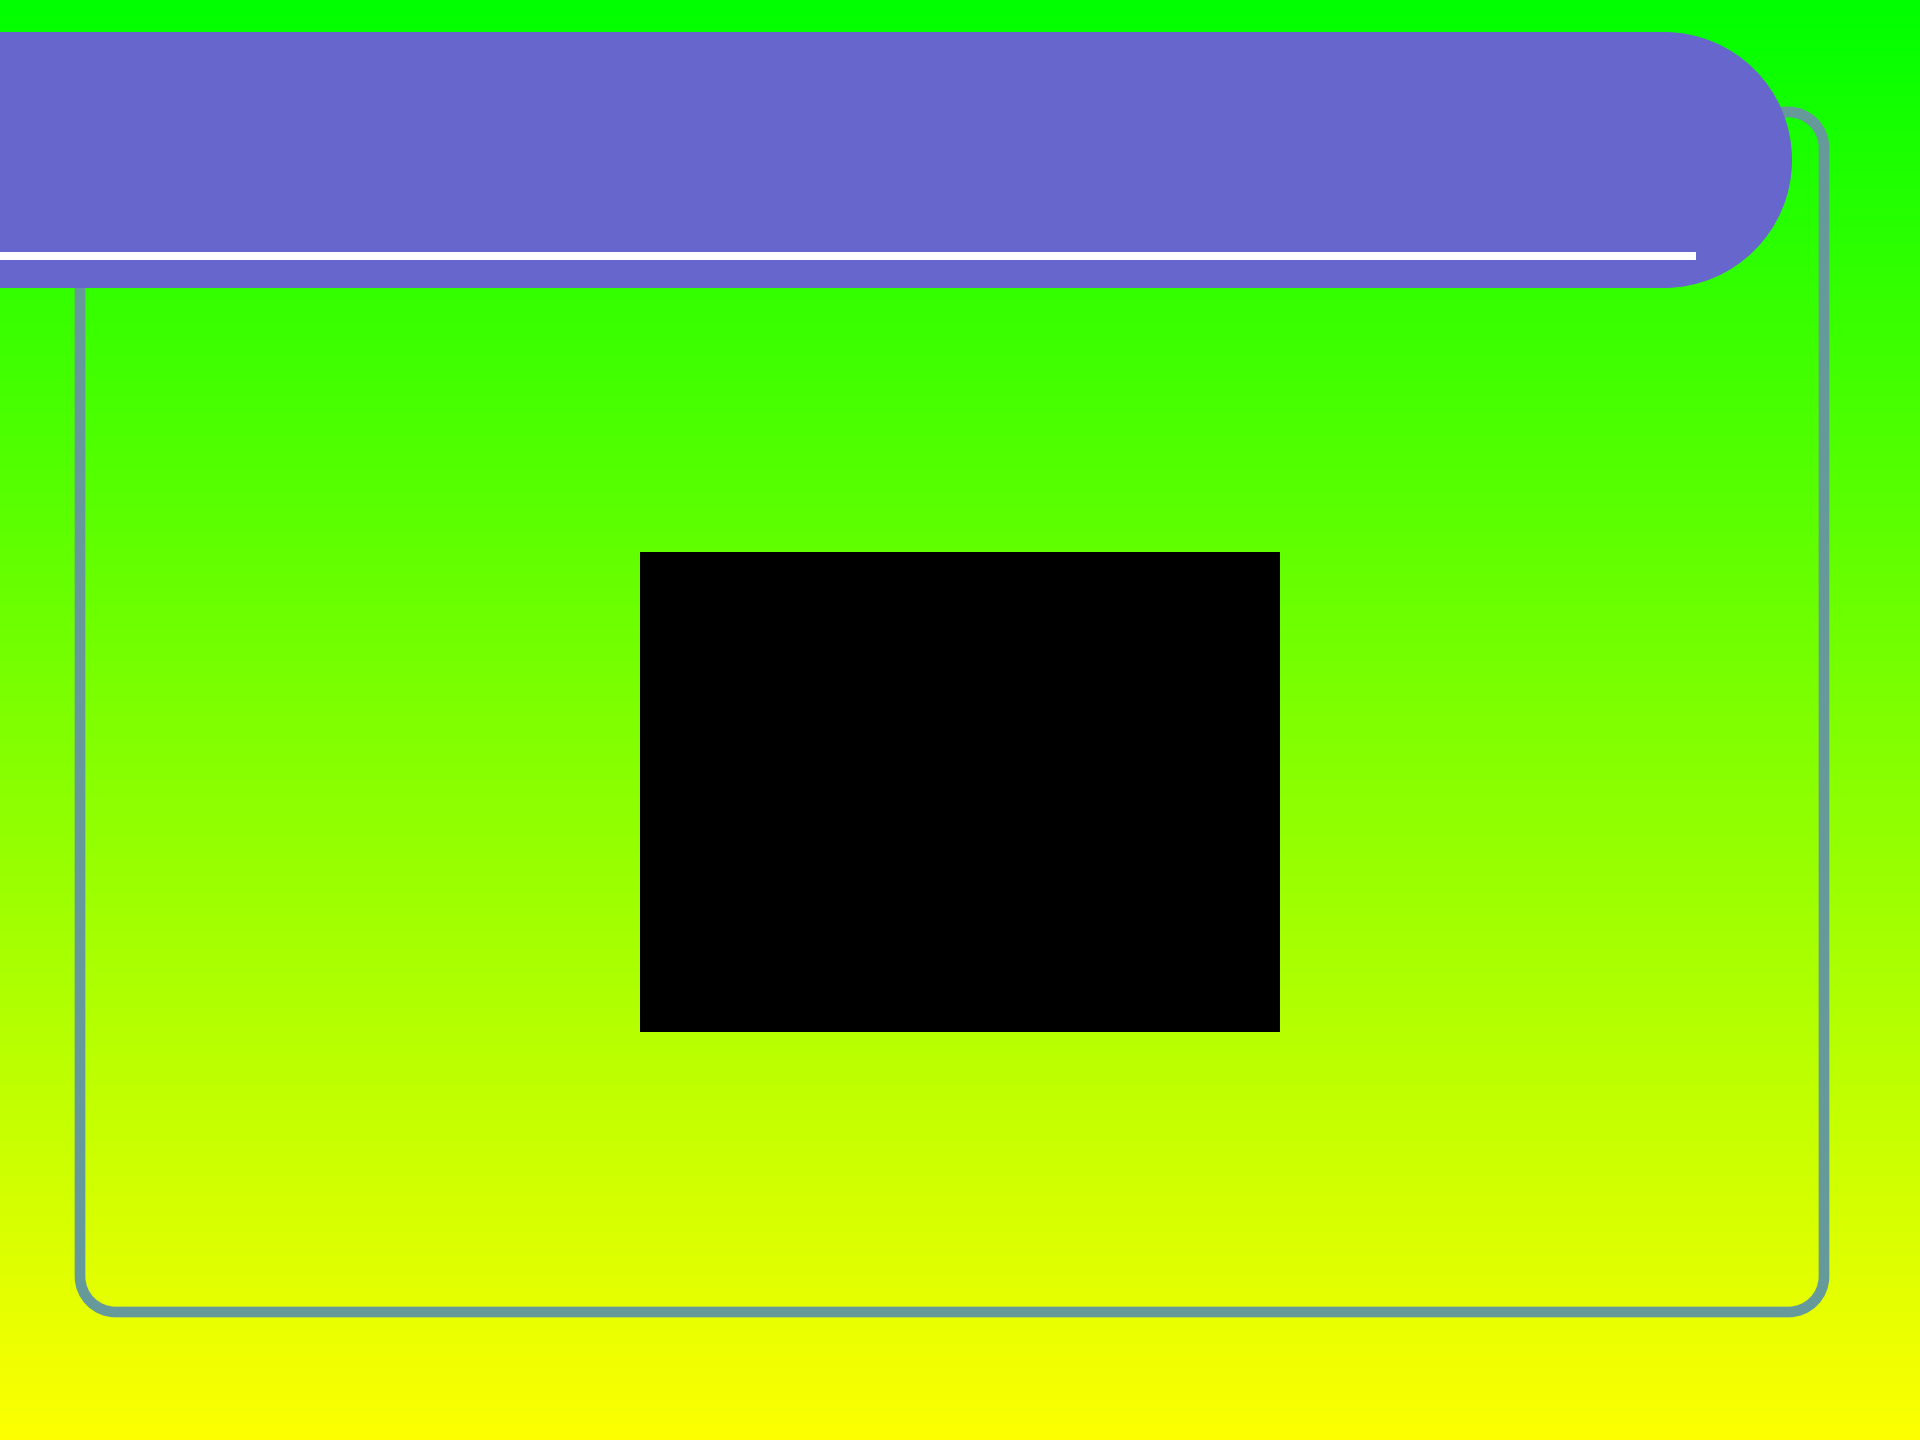

The Indians taught the pilgrims to grow corn, peas and carrots. In the autumn of 1621 people had their first harvest. It was rather good. They decided to have a special dinner. They wanted to thank God for many things. The year was difficult but people still had food to eat.

HISTORY

The colonists had a thanksgiving dinner for three days for all the people. They gave thanks for their good harvest and a happy year in a new country.
