**"A fashion is nothing
but an induced
epidemic."**

George Bernard

History of

fashion

- In the 1950s, young women and teenage girls wore skirts with petticoats and cardigans. Tight trousers or jeans with oversize jumpers were in fashion for both teenage girls

- In the period from the late 1960s to the 1970s individuality was above all. The ethnic style came into fashion together with hippies

- During the mid - 1970s the punk style appeared but soon sportswear became very popular.

• In 1980s shoulder – padded shirts and jackets became trendy. Tracksuits, leggings and training shoes became fashionable uniform that men and women of all ages wore.

- In 1990s young people enjoyed wearing clothes in different styles. Club wear, streetwear and sportswear are the three main tendencies in

What do you think about school uniform???

Tattoo - drawing on a body

Tattoo's history

- Tattoo is about 6000 years old. Patterns of primitive people were a constant fighting coloring, an indicator of valor and a social standing of the owner.
- With civilization development the tattoo began to be applied as punishment.
- The Christian church with condemnation treated drawing tattoos.

Why are tattoos so dangerous?

- Can cause an allergy;
- Cause various inflammatory processes;
- Promote a disease of kidneys;
- By 9 times the risk increases to catch hepatitis C;
