A “home” or a “house”? – find the difference

- 11** Look at the pictures on pages 27–28. Read the text and think about the underlined words. Match the words with the pictures.

Home sweet home...

What is home? It is a place where you live, it is a place where you feel good, it is a place you love, because it is ‘home sweet home’!

These words show how you feel about your home, be it a flat in a multi-storey house, or a country cottage, or an igloo, or a wigwam!

- 12** Read the text and think about the words ‘house’ and ‘home’. What is the difference in their meaning?

There are many new houses in our street. Mary lives in this big house. She isn’t at home now. She’s at school. That little cottage is my home. It’s Mary’s birthday today. After school, Mary’s friends won’t go home, they will go to Mary’s house.
