

What can we do to save the Earth?

*The world needs a friend
To love and depend on
In times of trouble...
The world has hope yet
If the children let it
And if **we** do it right
Together **we** can make the
world
A better place
Because the world's best
friend
Is **you!***

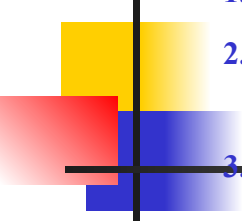

To save our planet we must

- AVOID DOING SMTH (Избегать, стараться не делать что-либо);

To save our planet **avoid cutting** down the trees!

Here are some ways in which you, your friends and your family can begin trying to save the Earth right now.

- 
1. **Try not to waste energy. *A***
 2. **Keep yourself informed about environmental problems.**
 3. **~~Before you throw anything away, stop and think. Might someone else have a use for it? *E*~~**
 4. **Take as much rubbish as you can to local recycling centres.**
 5. **If you have a choice avoid buying packaged goods.**
 6. **Don't waste paper. *D***
 7. **Before you buy anything, ask yourself if you really need it. *B***
 8. **Walk or cycle whenever possible.**
 9. **Never drop litter.**
 10. **Help to clean up your local environment. *C***
 11. **Try to reduce noise pollution. *F***
 12. **Put out food for wild animals in winter.**

- There is a strict rule – as soon as you get up in the morning, wash yourself and put yourself in order – put your planet in order!
- Quand on a terminé sa toilette de matin il faut faire soigneusement la toilette de la planète !
- Есть такое твердое правило, - сказал мне после маленький принц. – Встал поутру, умылся, привел себя в порядок – сразу же приведи в порядок свою планету!
