

# Age limits in the USA

# Цель:

1. Познакомить студентов с возрастными ограничениями и законами в Америке.
2. Использовать полученные знания для формирования правовой грамотности и воспитания культуры поведения в обществе.

- ▶ Most age limits and laws in the United States are similar to those in other countries. But many of them can differ from one state to another.
- ▶ International students and travelers may not know about it. Different places can have different laws about driving, drinking alcohol, smoking, and so on.
- ▶ For instance, at what age are you old enough to drive a car in the United States? The laws varies.

# Driving a car in the USA

In most cities, the legal driving age is 16 or 18. But in some communities, teenagers with driving license can drive alone after the age of 14 or 15, but only in the daytime. Some Americans think that it is not reasonable, because teenagers are too young.

# Drinking and buying alcohol

Another example: most people know that states in the US have different laws about the legal drinking age. In most states no one under 21 can buy alcohol- even beer or wine. Also, in most cities, it is illegal to drink alcohol in public. Some people put the can in a paper bag and drink; nobody can see the beer, but still it is not legal.
