

The Bikini

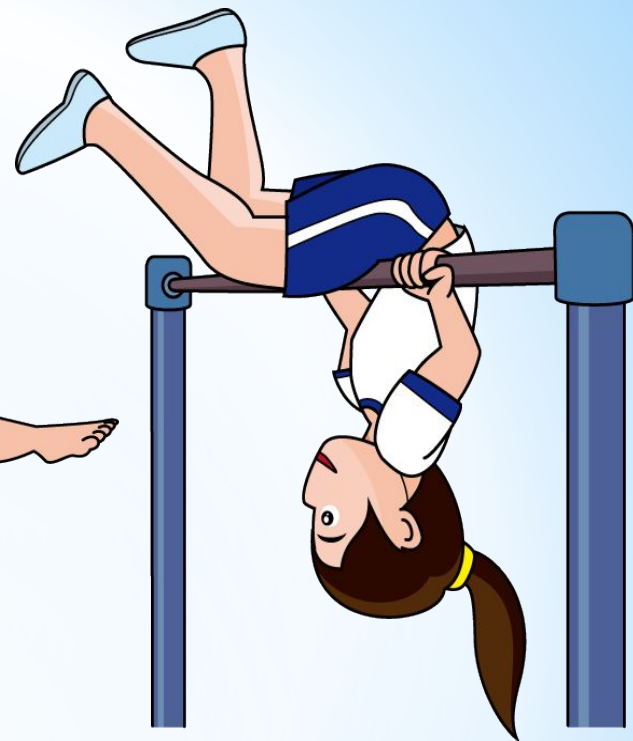

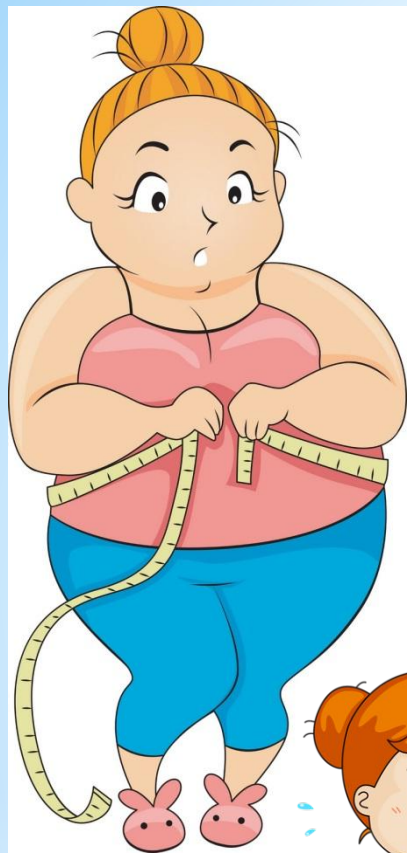

(by Vivien Wade)

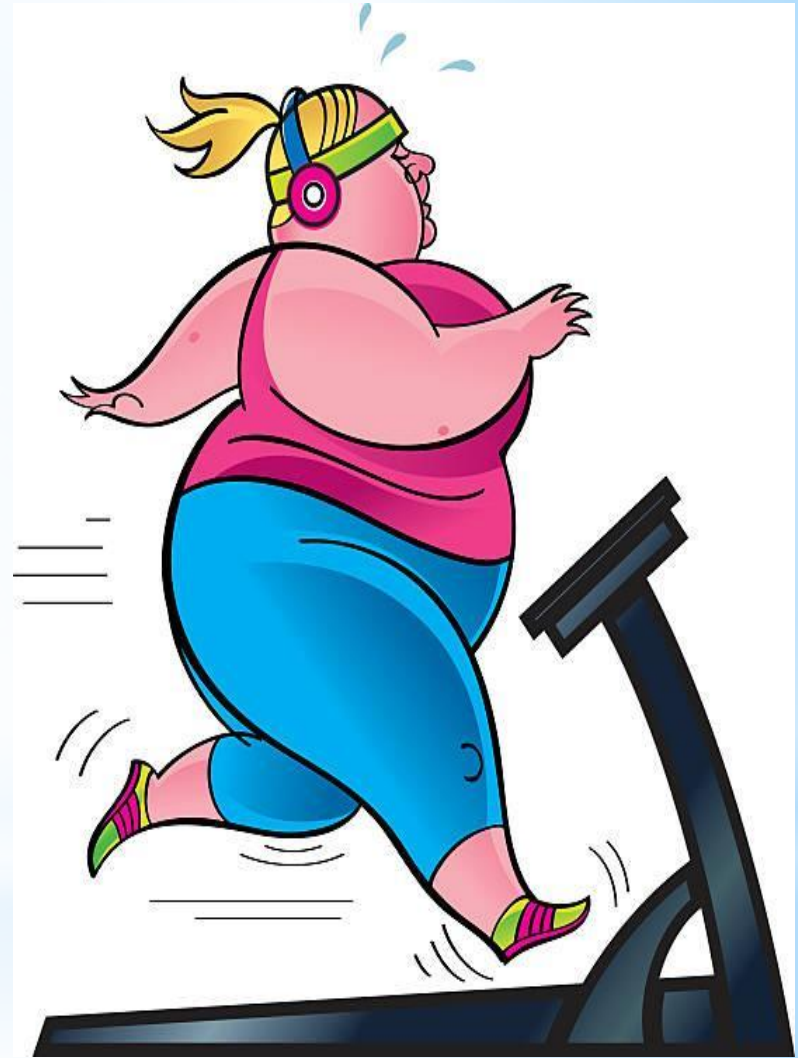

Anastasia Guz , school № 48

*I've decided to get into shape...
So I could wear a bright red bikini*

**The first class was
absolute agony,
Perspiring and jumping
around,
Then onto the treadmill
I went,
Hoping I'd walk off a
pound.**

It's back to my dark
one-piece swimsuit,
Which covers me
from neck to knee.
