Dear friend,

Thanks a lot for your letter.

I want to tell you about my house. I have got a big and cosy room on the first floor of our house.

There (1) ... a big window with bright curtains in it. I spend a lot of my time in this room: I do my homework, listen to music, read books.

There (2) ... white wallpapers with light blue flowers.

There (3) ... a poster of my favourite music band above my bed.

There (4) ... also a round mirror on the wall and a small table under it. In the mornings I do my hair in front of it.

There (5)... a big desk with a table lamp on it. I do my homework at it and sometimes draw small pictures.

There (6) ... shelf above the desk. I keep my workbooks and books on it.

There (7) ... a bed in my room. My bed is not big, but comfortable. I like reading in bed before going to sleep.

I have got a lot of books and there (8)... a bookcase near my bed.

Please, write me back.

Best wishes,

Bob
