A close-up photograph of a Valentine's Day card. The card is light purple and features the text "Valentine's Day" in a black, elegant script font. The card is placed on a white surface surrounded by numerous soft pink rose petals. A single, dark chocolate heart-shaped candy is visible among the petals. In the background, there are several white ribbons with gold cursive text, which is partially obscured and out of focus.

# ARMENIA

A dramatic, low-key photograph of a blind artist. The artist, a man with a beard and glasses, is silhouetted against a bright window. He is seated in a wooden chair, leaning forward as he draws a sketch on a large whiteboard. His right hand is raised, holding a pen or pencil. To the right, a woman wearing a wide-brimmed pink hat and a white tank top sits on another wooden chair, looking towards the artist. The room is dimly lit, with the primary light source being the window behind the artist. The overall mood is contemplative and focused.
