How many rooms are there in the house? There are four rooms: a living room, a bedroom, a bathroom and a kitchen.

Your task is to describe a room. You should use the construction (there is/there are) e.g. There is a sofa in the living room. There are chairs in the kitchen.

Remember!!! We use there is for singular and there are for plural.

Furniture-мебель
(desk , table , sofa.....)

Appliances-бытовые электроприборы
(cooker , fridge , TV.....)

And now let's have a break and sing a song about parts of a room and do some actions, repeat after me.

Point to the window.

Point to the door.

Point to the table.

Point to the floor.

Clap your hands together

One, two, three

Turn around quickly

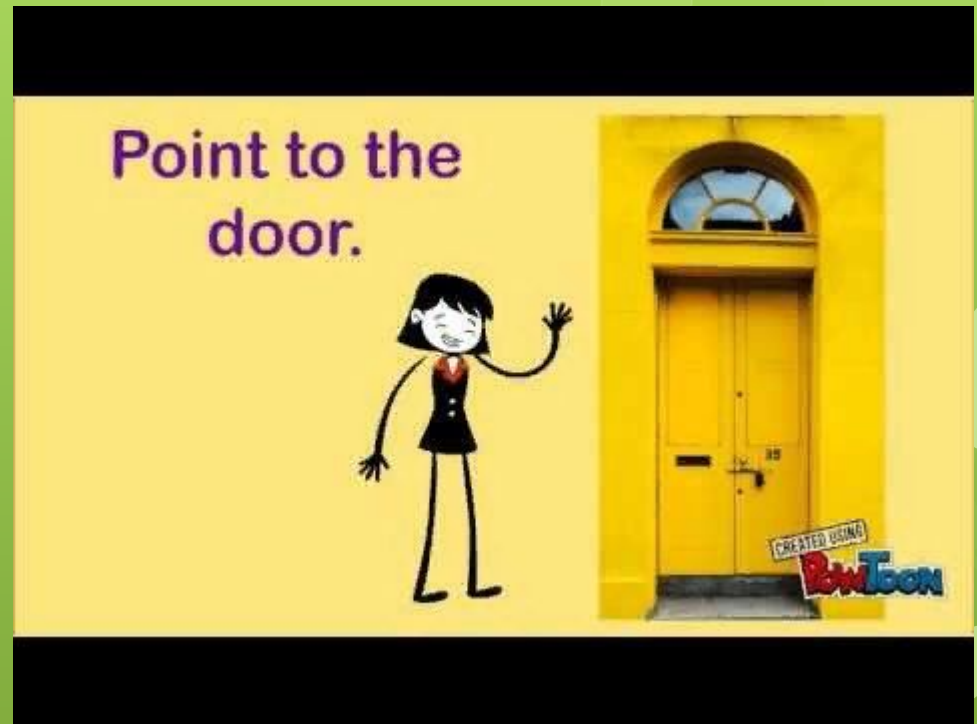

What can you see?

I can see the window.

I can see the door.

I can see the table.

I can see the floor.

The background is a solid light green color. It is decorated with several white butterfly silhouettes of various sizes and orientations, scattered across the page. The butterflies are simple line drawings with four wings and a central body.

Answer my question:
What is your favourite
room?

Let's listen to your
projects.

Watch and listen to the video and fill in the prepositions of place:

This is my room. There is a bed in it.
Ouch! There is a shelf above the bed. There is a desk in the corner. There is a chair between the desk and the bed. There is a door in front of me. And there is a window opposite the door. By the window there is a guitar. I like to play the guitar and sing. There is a ball beside the guitar. Oh, I'm sorry. There are my shorts under the bed.

Let's sing a song «My house»

- Ding dong, goes the bell
- Yes, yes, you hear it well
- Ding dong, come on in
- Welcome to my house
- This is the room with the sofa in
- Warm and cozy, come on in
- Look, this is my house
- Here I feel at home
- This is the kitchen where we eat
- And sit down with the family
- Look, this is my house
- Here I feel at home
- Ding dong, goes the bell
- Yes, yes, you hear it well
- Ding dong, come on in
- Welcome to my house

Reflexion

You have leaves of different colors.

- Put a green leaf if it was very interesting and useful for you at the lesson,
- a yellow one if it was interesting but rather difficult for you
- and a red one if you didn't like it.

**Thank you for the lesson.
Good bye!**
