- воспитание бережного отношения к природе

Winter

December

January

February

A photograph of a forest stream. The stream flows from the background towards the foreground, passing over a bed of rocks and fallen branches. The water is clear and creates small white rapids. The forest is composed of tall, thin trees with reddish-brown bark. The ground is covered in dry, brown pine needles and fallen leaves. The overall scene is a natural, serene forest landscape.

Spring

March

April

May

Summer

June

July

August

Autumn

September

October

November

Find the odd words :

1. January, February, March, December
