

A vibrant sunset or sunrise over a body of water with a rainbow arching across the sky. The sun is low on the horizon, creating a bright glow and casting long, colorful reflections on the water. The sky is filled with soft, colorful clouds in shades of blue, purple, and orange. A rainbow is visible, arching from the left side of the frame towards the right, with its colors clearly defined against the bright background.

A circular map of the world showing continents and oceans. The word "Geography" is written in a large, bold, black font with a white outline, centered over the map. The map uses a color scheme of greens and browns for land and blues for water. The word "Geography" is the central focus of the image.

Geography

“In fourteen hundred and ninety - two

Columbus sailed the ocean blue

Let's sing together this old song

About voyage that took him long,

About sailors, those brave men.

Let's sing and remember them all again!”
