I've chosen photo number...I'd like to tell you a few words about this photo. It makes me remember the happiest day of my life. It was really terrific!

1. - when you took the photo

I took this photo in one of the beautiful parks in Edinburgh when I was on my trip to Scotland two years ago. It is quite amazing, isn't it?

what/who is in the photo

In the foreground of the photo you can see two girlfriends spending their free time hanging around. They **might study** or work together. They **seem to be** in a good mood. They both are wearing all Scottish style suits. **Moreover**, the girl on the left has got an incredible hat which perfectly matches the rest of her clothing. The most stunning thing that caught my eye was her hair done in dreadlocks. In her right hand she is carrying a black handbag made of leather.

what is happening

In the background of the picture there are a lot of green trees with bushy (thick) crown. It was early September and it happened to be a very warm and sunny day. But nevertheless some people put on their jackets because the weather is very changeable and unpredictable on the British Isles. The man on the right who is wearing a checked shirt might be a tourist because he has got a blue backpack. As you can see at this particular moment the place is not overcrowded, so I think, it is great to enjoy your leisure time with your nearest and dearest in such a place.
