

RUSSIA

Russia

What is Russia?

It's my Motherland, the largest and the best country in the world. It's called the Russian Federation as more than 190 nationalities live in Russia.

Russia

Russia borders on many countries: Estonia, Latvia, Finland, Poland in the west, China, Mongolia, Korea in the south and others.

Russia

There are different types of climate on the territory of Russia.

It's very cold in the north in the Arctic zone.

Russia

The central part of Russia has a mild and continental climate with hot summer and cold winter.

Russia

But in the south it is really hot. Lots of people go to the Black Sea for a holiday.

Russia

The country has many seas, oceans, lakes and rivers: the Black Sea, lots of seas in the north and the east, the Volga River and the Yenisei, Lake Baikal.

Russia

Moscow is the capital of the country. It is one of the oldest and biggest cities in the world. Just have a look at the ancient Kremlin and magnificent St. Basil's.

Russia

Some parts of Russia are covered with mountains; the Caucasus, the Crimea, the Altai, The Ural mountains.

Russia

There is no country in the world better and more beautiful than Russia.
