- During the holidays I visit my grandparents. There is a big farm in their aul. There are a lot of cows, sheep, goats, geese and hens on the farm. Men pasture the sheep and the cows. Women feed the hens and the geese. Children look after the goats. Every evening people get together. We sing wonderful songs and dance a lot. I always wash my hands and feet, before I go to bed. I am really happy there.

Our lesson is over!
