В 11 классе  
на тему «Джейн Эйр».  
УМК под редакцией О.В.Афанасьевой.

Reading  
Lesson

# *Charlotte Brontë*

Charlotte was born in Yorkshire, England. After her mother's death in 1821, she was sent away to the school by her aunt. The poor conditions there affected her health badly. After finishing school, Charlotte first worked as a teacher and as a governess for various families in Yorkshire.

- 1. John bullied Jane occasionally.  
1 F (He bullied and punished me ... continually)
- 2. Mrs Reed chose to ignore John's bad treatment of Jane.  
2 T (Mrs Reed was blind and deaf on the subject)
- 3. John usually bullied Jane when Mrs Reed wasn't looking.  
3 T (she never saw him strike ... though he did ... behind her back)
- 4. John was angry because Jane had a book that he wanted to read.  
4 F (That is for your impudence ... your sneaking way ... and the look ... in your eyes)

# Hyperbole

- Преувеличение (Hyperbole) – стилистический приём вознесения свойства до невозможности, немыслимости. Оно пробуждает воображение с переносным значением, отличное от действительности.
- *I think it will take a hundred years to change – Боюсь, изменение займёт сотню лет*
- *2 geological ages later we heard his footsteps – Лишь через 2 геологических эпохи мы услышали его шаги.*

## HYPERBOLE

The king's nose was three feet long!

My dad can lift over two tons!

That food was so hot my ears were smoking!

That boy runs faster than a car!

I'm so tired I could sleep a year.

I'm 20 feet tall this month.

I must have walked a hundred miles!

He cried so long that he made a lake!

I'm so hungry I could eat a horse!

You have a million toys at your house!

# Quotations

- Luck makes us more generous. Удача делает нас щедрыми.
- Gold does not need gilding. Золото не нуждается в позолоте.
- Be my happiness, I'll be yours. Будь моим счастьем, а я стану твоим.
- Respect yourself enough not to give all the forces of heart and soul to whom they are not needed. Уважай себя настолько, чтобы не отдавать всех сил души и сердца тому, кому они не нужны.
